WE WILL MOVE to our new building when completed, this fall, Broadway at Sixth Avenue, 34th to 35th Street.

Custom Tailoring Department.

Annex.

The Clothier who states that a Ready-made Suit will retain its shape, and continue to fit, to the end of its service, as well as a Made-to-measure Suit stamps himself ignorant or is guilty of a deliberate misrepresentation.

To the men who look ahead, who are punctilious and fastidious and insist on *sustained* grace and beauty we frankly say: Go to our custom department. A suit cut especially to your individual measurements, shaped in harmony with all your physical characteristics and sewed throughout by journeymen, who test each stitch with a good, strong tug, is bound to be satisfactory if the material is reliable and the price is reasonable. We guarantee those two points in the following offering:
