800 Renowned Harmony Pianos

Offered at **$1** a Week.

We offer another lot of 800 celebrated Harmony Pianos at

$5 Down and **$1** A Week.

This is the greatest Piano value in the world.

Go where you will and make comparisons, or bring an expert to our piano store and have him thoroughly examine the Harmony Piano, and it will prove to you that there is no Piano in America for less than $350 and $400 that can compare with the Harmony in any way.

So we save you from $175 to $200, if you secure the Harmony Piano for $175 on terms of $5 down and $1 a week.

As the booking of these Pianos has already been tremendous, we advise all interested in this great offer to make a selection at once.

Wherever the Harmony Piano is put it makes lifelong friends of those who use it, and establishes the good reputation of Bloomingdale Brothers among every member of the household.

The celebrated Harmony Parlor Grand Upright Piano is too well known to need much comment. It is built by one of the oldest and most skilled piano makers in the world, of the very finest material in the most artistic style.

The cases are wrought in the new Empire design, double veneered in the finest figured mahogany, oak or walnut. Harmony Pianos are fitted with celebrated actions which are as near perfection as human skill and years of experience can make them. The keys are of selected ivory, automatic practice muffler, which is self-regulating.

The tone is rich, clear and melodious and has that beautiful singing quality which is such an acquisition to the piano. The touch is most elastic and responsive. The Harmony will keep its tone longer than any other piano we know of. In fact, the tone of the Harmony Piano improves with use and age.

The Harmony Piano will be delivered upon the first payment of $5 and no interest is charged in time when for making payments.

This guarantee, inserted in gold letters, on every Harmony Piano:

This Is to Certify

that this instrument is GUARANTEED for the term of FIVE YEARS from the date of purchase, against any defect in the instrument, with proper care and use, except defective in material or workmanship within that time it is hereby agreed to put in good repair free of charge, or replace it with another of the same quality.

With every piano we give a stool to match and a new style cover.

Five Other Remarkable Piano Offers:

Robert Wilson Pianos, $155—$5 *down and* $1 *per week.*
The Mayers Pianos, $165—$5 *down and* $1 *per week.*
