MISCELLANEOUS.

BREWERY FOR SALE IN CANADA.

A large and well appointed brewery and malt house in a populous and growing city in the best part of Canada is for sale on very advantageous terms. The present owners are not brewers; we do not intend to carry on the business, and will give perfectly satisfactory reason for selling. The buildings and plant will be sold for considerably less than their cost, and the stock on hand will be sold at cost price. Two hotels in the same city must form part of the deal and quite a large trade can be done locally and outside. Total sales are now about 30,000 barrels and with good management easily attain to 50,000 barrels a year.

The brewery contains every facility for the manufacture of both Ales and Lager. There is a first-class refrigerating plant; good ice house; ice ponds, &c., &c.
