BOROUGH OF BROOKLYN—FOR SALE.

"Fiske Terrace," Flatbush

Many localities which at first sight seem to offer all the essentials favorable to home building frequently lack these requisite restrictions so necessary to assure the future value of an investment.

"Fiske Terrace" is a fully developed residential park, where wise provisions protect the character of the property for all time, yet allow ample scope for individual ideas in house architecture and horticultural effects.

"ACKERSON HOUSES"

are models of modern dwelling construction, containing every convenience and improvement, with an environment that cannot deteriorate, and which time will greatly enhance both in beauty and value.

The far-sighted, who carefully study the character, tendencies and future of a residential community, will find much to interest them at "Fiske Terrace," Flatbush.

Present prices from $12,000 to $30,000.

Representatives always at office on property, Fiske Terrace Section, Brighton Beach R. R., 30 minutes from Manhattan.
