☞ **At a Special Meeting** of the ENGINEERS and FOREMEN of the NEW-YORK FIRE DEPARTMEND, held at Firemen's Hall on Thursday Evening, April 24, 1851, the following preamble and resolutions offered by Mr. A. J. Delatour of Hose Co. No. 24, were adopted:

Whereas, JAMES L. MILLER, Esq has recently resigned the office of Assistant Engineer of the New York Fire Department, a position which he has long filled to his own great credit and the infinite benefit of the Department. And

Whereas, Mr Miller has long been known for the promptness and punctuality with which he has performed the duties of that responsible office, during his whole term of service. And

Whereas, It becomes the duty of any body of men, who have experienced the benefit of the advice and assistance of such a man, as well as witnessed his efforts and determination to perform satisfactorily his duty, to unite in presenting to him a testimonial of their appreciation and well wishes. Therefore, be it

Resolved, That the thanks of this body in behalf of themselves and the various Companies they represent, are eminently due, and are hereby presented to Mr. James L. Miller for the ability, earnestness and zeal he has ever displayed in the discharge of his duty, through a long period of active service as Assistant Engineer, as well as for the efforts he has made for the increased prosperity and usefulness of the Department.

Resolved, That in taking leave of Mr. Miller, we do so with profound regret, sensible that we are losing from our ranks one, who has ever contributed by his voice and example, to elevate our Department to its present conspicuous and elevated standing in the community, and who has, on all occasions, proved himself to be a firm friend and worthy gentleman.

Resolved, That Mr. Miller carries with him in his retirement our best wishes for his future success and prosperity in life, and for a long continuance among us in uninterrupted health.

Resolved, That the Secretary of this body be directed to transmit a copy of these Preambles and Resolutions to Mr. Miller, and cause the same to be published, in The Tribune, Sun, Herald, and Firemen's Journal

ALFRED CARSON, Chairman.
JOSEPH BLACK, Secretary. my3 1t*

DR. DIXON'S QUARTERLY.—ADRIANCE SHERMAN & CO., 2 Astor House, have just published the eleventh number of this unique Quarterly, which has received more commendation than any popular journal ever issued in this city. There is not an intelligent man in the country who will fail to read the entire series, should he get a taste of this racy number, 64 pages, 25 cents.

The London Times says: "A most fascinating and brilliant affair; commands the attention of every reader."

From the London News.

"Flashing, spirited and humorous, the Scalpel is as amusing as a novel; it loses none of its raciness."

"There is a high intellectual power shown on every page.—N. Y. Tribune.

"Dr. Dixon is a vigorous writer and accomplished practitioner, and gives us a bold, dashing and fearless magazine."—New York Courier and Enquirer.

"It is filled with evidence of profound research, and exquisite and racy jeu d'esprit; the wonder is, how any man, so earnestly engaged in professional duties, can find time to make a journal so instructive and amusing."—Home Journal.
