## Havre Market....MAY 21.

COTTON.—Since our last report per steamer Canada, our market has undergone further fluctuations; and at a time New-Orleans tres-ordinaire was obtained at fr. 83 to 84; since Thursday, however, the advices from Liverpool being more encouraging, the article is in a better position, and our rates are pretty regular at annexed quotations. We received on Monday advices from the States per steamer Humboldt. Our manufacturers are in a precarious position, and spinners are losing money; if we add to this our political difficulties, and a stock of nearly 120,000 bales, we remain convinced, that no matter what might be for the present moment the advices concerning the new crop, they can produce no salutary effect on our rates.

To sum up, the sales of the week comprise 7,403 bales, against 12,417 bales imports, and we remain with a stock of 117,575 bales as per statement at foot.

The following were the sales effected, viz:

| | | |
|---|---|---|
| 3,775 bales New-Orleans | F 74 | @91 |
| 2,370 " Mobile | 75 | @90 |
| 1,258 " Upland | 76 | @91 |

7,403 bales.

ASHES.—We have no change to signalize in the position of American Potash. Stock of 1851 remains quoted at 41f, with 25 bbls sold to arrive per St. Denis, and 25 bbls 1850 in port, at 39f. Nothing doing in Pearlash at 45f 50 to 46, and Casan nominal at 45f. to 45 50 per 50 kil, duty paid.

BEESWAX.—No sales to notice and prices nominal.

COFFEE.—Our transactions have been very limited with languid prices; the last public sales have replenished the trade, which keeps on the reserve. The sales effected were 350 bags St. Domingo, at 56f to 59, the latter price paid for Gonaives first quality; 316 bags Puerto Cabello, at a price which has not yet transpired; 20 bags Rio, at 45f in bond; and 55 bbls Guadaloupe at 1f 25, 50 bags Batna damaged at 46 to 56f., 235 bags Manilla at 102 to 103f., and 107 bags Mocha at 106 to 109f per 50 kil., duty paid.

LARD.—Our stock continues exhausted, the last supplies from the States having found buyers at 60f. per 50 kil., duty paid.

QUERCITRON BARK—Languid, and with no demand at 15f for Baltimore and 14f for Philadelphia.

RICE—Completely neglected, and we have no sales to notice in Carolina Rice, and only 360 bags East India, damaged, at 6f 50 to 12f 50, and 1,000 bags in good order at 12f 50 to 13f 75 per 50 kil, duty paid.

TALLOW—Continues languid, with neglected prices at 53f 50 for Russian and 49f to 52f for other descriptions.

WHALEBONE—Our transactions have been limited, and prices are hardly supported at 240f to 215f for North Western, 210f. for Southern, and 220f for Polar Bone. Sales 2,500 kil. Polar and North Western French fishery at 215f.

WOODS—We have only to signalize the sale of 125,000 kil. St. Domingo at 5f 25 to 5f 40. In other descriptions we have had nothing doing. Imports—One cargo Campeachy, from St. Domingo, by Edouard, and 1,100 kil. from Guadaloupe, by Sylphe.

☞ In other articles the sales were 1,243 bbls. American Rosin, per Samuel M. Fox, at 7f. 37½, and 23 chests Lac Dye D T at 3f.

HAVRE, May 22—Tuesday evening.

Our Cotton market remains in a dull and unsettled state. Buyers are unwilling to operate; the general opinion is that prices will go lower. New-Orleans tres ordinaire is now quoted at 86, and Upland 83@84, but the demand is confined to small lots for immediate wants. The advices from New-York to 10th inst. by the Pacific, came to hand yesterday.

In other articles nothing worthy of mention has occurred. Breadstuffs remain very raw, the season being fine. No arrival from the United States since yesterday.
