Detroit Toledo & Ironton Railway Company

Consolidated Mortgage Four and One-Half Per Cent Gold Bonds

To the Holders of Bonds of the above issue:

At the request of a large number of the holders of Consolidated Mortgage Four and One-Half Per Cent. Gold Bonds secured by the Deed of Trust executed by the Railway Company to the Knickerbocker Trust Company, the undersigned committee was organized to protect and represent the interests of the holders of valid and legally issued bonds of that issue.

Your particular attention is called to the fact that the undersigned committee is the only one now in existence representing exclusively the interests of bondholders who have paid for the securities now held by them, as distinguished from a class of bondholders whose alleged holdings amount to approximately $5,000,000 out of a total issue of $9,000,000 and who are in possession of the bonds under what the undersigned committee have been advised probably constitutes an illegal and improper issue and pledge thereof to secure notes claimed to have been improperly given in payment of the purchase price of Ann Arbor Railroad stock.

Concerted and prompt action of the bondholders of the class represented by the undersigned committee is necessary for their protection, as a committee has recently been constituted with John Alvin Young, Esq., as Chairman, and the Windsor Trust Company as Depositary, for the purpose of reorganizing the Railway, whose policy presumably will be to enforce the legality of the said $5,000,000 of consolidated bonds pledged as security for the notes issued for the Ann Arbor Railroad stock.

Proceedings are now being taken to contest the legality of the above mentioned $5,000,000 of bonds and in the event of a favorable result, the security of the legally issued bonds will be doubled. An examination of the agreement adopted by the Young Committee will show that bondholders depositing with that committee will be unable to withdraw their bonds, should that committee endeavor to maintain the legality of the said $5,000,000 of bonds.

These facts are brought to your notice to convey to you the importance of prompt action in depositing your bonds with the undersigned committee. Copies of the agreement under which the deposits are to be made will be furnished, upon request, at the office of The Equitable Trust Company of New York, 15 Nassau Street, New York City, Depositary of the Committee, which will issue transferable receipts for deposited bonds, and your attention is invited to paragraph Sixth of said agreement, limiting expenses and compensation of the committee to $5 per bond.

Dated, New York, August, 19, 1910.

CHARLES H. JONES, Secretary, 20 Broad Street, New York City.
