NEW-YORK TRIBUNE.

Markets.....CAREFULLY REPORTED FOR THE TRIBUNE.
SATURDAY, June 14.

ASHES—The market is quiet for both sorts. Sales of 100 bbls at $5 for Pots and 5 50 for Pearls.

COTTON—The market continues dull, and prices heavy for the lower grades. 600 bales have been sold to-day.

FLOUR AND MEAL—There is no change to note in the value of low grades of State and Western Flour. The trade buy sparingly. There is but little doing for export, but there is a good speculative demand for the inferior grades, and old is more in request. Western is heavy, especially mixed brands. Canadian is heavy and dull, sales of 400 bbls at $4 in bond. The sales of Domestic reach 9,300 bbls at 3 25@3 31 for Sour; 3 30@3 62½ for No. 2 superfine; 3 75@3 80 for old State, 3 81@4 for Michigan and Indiana; 3 87½@$4 for common to strait State, and 4 25@4 37½ for pure Genesee.—Southern is less depressed, and there is not so much offering; the demand is moderate, sales of 500 bbls at 4 31½@4 50 for mixed to good strait brands, and 4 75@5 37½ for fancy. Rye Flour is quiet at 3 37½. Corn Meal is heavy and dull at 2 75 for State, and $3 for Jersey.

GRAIN—There is a fair milling demand for good and prime samples of Wheat, and prices still tend downward. We have only to note a sale of 5,000 bush good Ohio at 93c. Rye is very quiet and more plenty at 73c. Oats are better; sales of Northern at 44@45c, inferior and fair Ohio at 43@43c, and Jersey at 43@44c. Barley is dull and prices nominal at 86@85c. Corn is better; owing to the detention of the "tow" on the River, the supply was limited, and the demand was fair to complete cargoes for export; the sales reach 42,600 bushels, about half to arrive, at 58@54c for heated, 55½@56c for Western mixed, and 59c for round yellow.

PROVISIONS—There is a better demand for new Pork, but old is dull and prices are nominal. The market is a shade better, and we hear of sales of 400 bbls at $14 50 for mess and $12 for prime. Beef is steady, very plenty and quiet. Sales of 100 bbls at $8 62½@11 for mess, and $5@6 for prime. Beef Hams are dull, $14 50 for prime. Mess Beef is dull and nominal, $14 50@15 50. Cut Meats are dull and heavy at 7@7½c. for Hams and 6½c. for Shoulders. Lard is plenty and is steady, with a fair home demand; sales of 250 bbls and tcs at 8½c. for good. Butter is plenty and is dull at 9@14c. for Ohio, and 16@15c. for State, and 14@17c. for Orange Co. Cheese is in good demand and is firm at 5@6½c.

WHISKY—The supply is limited and the market is better. Small sales of Prison at 22½c., and 75 hhds Drudge at 22c., time and int.

TOBACCO—Shows more steadiness; 70 hhds Kentucky Leaf sold for export at 8, 9 and 10½c. The demand is moderate, 140 bales Cuba sold at 21c, within the last three days; 30 bales Havana at 25c; 20 cases Florida at 19@21c, and 15 do Pennsylvania Seed Leaf at 17c; common frosted lugs are offering at 5½ and choice at 10@11½c.

RICE—Is dull and heavy, and is lower here than in Charleston. The sales of the last three days are scarcely 250 tierces at 3½@3 56½.

NAVAL STORES—Are moderately active, and Spirits Turpentine are steady at 33½@34c, at which 500 bbls have been sold; 1,000 bbls Rough Turpentine changed hands at $3. Rosin is active and firm, with some advance on common descriptions; 4,000 bbls common sold at 1 26@1 35 for North County, and 1 42½@1 45 for Wilmington.

CIGARS—We notice 200,000 German at 9@11, and 300,000 Havana.
