Summer Cruises

Jamaica—Panama Canal

Our low summer rates to Jamaica and the Panama Canal are in effect May 1 to Oct. 1.

They offer a splendid opportunity of seeing the wonders of the great enterprise at Panama at little expense.

Summer climate there is delightfully cool and even—from 74° to 84°. Our big, cool steamers are the only ones sailing from any American port designed and constructed specially for service in the tropics.

The staterooms are all outside, unusually large, bright and comfortable, and many have connecting private baths.

Powerful blowers on the promenade decks force the cool, invigorating air from the sea into all staterooms, social halls and dining rooms.
