PORT DEPOSIT, MD.

The Tome School

WITH its endowment of over two and a half million dollars, it can limit its enrollment to boys of high character. It has a faculty of unusual strength and size. It has created an unique type of school life. It can give much individual attention through its special tutors. Its graduates take high honors in the leading colleges and technical schools. Each boy has his own room.

It has the most beautiful school buildings and grounds in America.

It has one hundred and seventy-five acres, on which are a nine-hole golf course, five athletic fields, swimming pool, quarter-mile cinder track, tennis courts and batting cage.

Its tuition of $700 would have to be fifty per cent. greater were it not for its endowment.

The LOWER SCHOOL FOR LITTLE BOYS offers all the advantages of the Upper Forms with the special benefit of a separate dormitory and a separate organization.
