We had a Company booked for this week, but we learned that they were not up to the standard we have set for Anderson so we Cancelled them; and had this new company jumped in here from Tampa, Fla. Some jump—and Some Company, too—says the Booking Agency.

Items of Interest and Personal Mention Caught Over the Wireless on the Streets of Anderson

R. W. Tribble Had Fine Patronage
 Since yesterday morning at 9 o'clock R. W. Tribble's store has been one of the most popular places in Anderson for beginning with that time he threw his entire stock of mens and boys' up-to-date furnishings on sale at greatly reduced prices. This sale was occasioned by the recent fire which started up stairs in his place of business and caused slight smoke and water damage to a very small portion of his large stock. The goods which Mr. Tribble are offering for sale are not damaged, but rather than offer the public anything that had been in a store where an insignificant fire occurred he decided to put everything in his store on sale at reduced prices. As a result his place was crowded both Friday and yesterday, and a splendid business was done.
