HEAD STUFFED FROM CATARRH OR A COLD

Says Cream Applied in Nostrils Opens Air Passages Right Up.

Instant relief—no waiting. Your clogged nostrils open right up; the air passages of your head clear and you can breathe freely. No more hawking, snuffing, blowing, headache, dryness. No struggling for breath at night; your cold or catarrh disappears.

Get a small bottle of Ely's Cream Balm from your druggist now. Apply a little of this fragrant, antiseptic, healing cream in every air passage of the head, soothes the inflamed or swollen mucous membrane and relief comes instantly.

It's just fine. Don't stay stuffed up with a cold or nasty catarrh.

Torpedo of Submarine E-1 Could Sink Any Battleship Afloat.

This photograph of a torpedo used by the American submarine E-1, now in New York harbor, with the warships making the greatest naval display in the history of the country, shows to some extent the American preparation for war. The photograph was taken with the camera of the submarine sailor who is shown beside the torpedo. It is powerful enough to sink any man of war afloat. The E-1 was the submarine which made the wonderful trip of 1,230 miles from Key West to New York. It is doubtful if any submarine so far used in the war in Europe has gone so far without outside aid.

Kidney Trouble Often Causes Nervousness and Heart Trouble

Two years ago I was badly run down, not able to do any work, suffered from nervousness, heart trouble, kidneys and bladder in bad shape; no appetite, unable to do any work; and since using six bottles of Dr. Kilmer's Swamp-Root, I feel fine; am in excellent health and can do most any kind of light work. Since using the Swamp-Root I have been relieved of all the above troubles. I cheerfully give the above testimony and hope others may be benefited.

Very truly yours,

New York, May 18.—After opening steady today, a less optimistic turn sentiment with reference to political conditions prevailed on the cotton market and active months eased off to a net loss 7 to 9 points. Business then became very quiet. Around midday prices rallied; point to 2 up from the lowest.

PUT SULPHUR ON AN ITCHING SKIN AND END ECZEMA

Says this old-time Eczema remedy is applied like cold cream.

"Any irritation or breaking out on the face, arms, legs or body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur, says a noted dermatologist.

He states that bold-sulphur instantly allays the angry itching and irritations and soothes and heals the Eczema right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subside the itching irritation and drive the Eczema away and it is often years later before any eruption again appears on the skin.

Those troubled should obtain at any drug store an ounce of bold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream.
