TEN THOUSAND CURES and not a SINGLE FAILURE.—Dr. HASTINGS' SYRUP of NAPTHA, celebrated throughout both continents for its wonderful cures of Consumption, Asthma, Decline, Spitting of Blood, Night Sweats, Difficult Breathing, Coughs, Colds, and all Diseases of the Chest and Lungs.
Its effect upon the system is mild and soothing, at the same time certain and efficacious; rarely failing to give relief upon the first application, and by repeating it a few times, a permanent cure is effected.
The proprietor, therefore, not only recommends his Naptha Syrup, but warrants it to cure. He warrants it to act upon the chyle, and purify it; he warrants it to remove all impediments which retard the free circulation of the blood; he warrants it to open the internal and external pores of the body, and eject all the obnoxious particles which have accumulated in the system; he warrants it as a never-failing remedy in
CURING DISEASED LUNGS.
Hectic Fever, Night Sweats, Dyspepsia, Liver Complaints, Pain in the Chest, and Asthma; and he warrants it to arrest the formation of Tubercles on the Lungs, and to heal those already formed, so that persons in consumption may take it with the most positive confidence of a cure, for its great seat of action is the Lungs, which it penetrates in all directions, purifying them of everything obnoxious in its progress, and which, if applied according to directions, cannot fail to leave in a perfect healthy condition.
Dr. Hastings' Compound Syrup of Naptha is highly recommended by the medical profession. That eminent physician, Dr Mott, of New-York, says "That as a pulmonic remedy it cannot be too highly praised." Dr. Arnold of the Marine Hospital, Savannah; Dr. Ware of Liverpool, Lancaster; Dr. Boyd, of Lancaster; Dr. Hamilton, of Bath; and those eminent English publications, *The London Lancet*, *The Medical Journal*, and *Braithwaite's Retrospect*, all accord to it the most convincing certificates of its virtues. In this country it has been used with distinguished success.

DR. HOOFLAND'S
CELEBRATED GERMAN BITTERS,
PREPARED BY DR. C. M. JACKSON,
At the German Medicine Store, No. 120 Arch-st., Philad.
Their power over the above diseases is not excelled, if equaled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.
These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.
READ AND BE CONVINCED.
[From The Boston Bee.]
The Editor said, Dec. 3:
"Dr. Hoofland's celebrated German Bitters, for the cure of Liver Complaint, Jaundice, Dyspepsia, Chronic or Nervous Debility, is deservedly one of the most popular medicines of the day. These Bitters have been used by thousands, and a friend at our elbow says he has himself received an effectual and permanent cure of Liver Complaint from the use of this remedy. We are convinced that, in the use of these Bitters, the patient constantly gains strength and vigor, a fact worthy of great consideration.—They are pleasant in taste and smell, and can be used by persons with the most delicate stomachs with safety, under any circumstances. We are speaking from experience, and to the afflicted we advise their use."
Scott's Weekly.
One of the best literary papers published, said, August 25:
"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty, as an article of much efficacy in cases of female weakness. As such is the case, we would advise all mothers to obtain a bottle, and thus save themselves much sickness. Persons of debilitated constitutions will find these Bitters advantageous to health, as we know from experience the salutary effect they have upon weak systems."
The Daily Sun says:
"It is one of the best medicines of the age for Jaundice and Liver Complaint."
From *The Saturday Gazette*, one of the best papers published. The Editor says of
DR. HOOFLAND'S GERMAN BITTERS:
"It is seldom that we recommend what are termed Patent Medicines to the confidence and patronage of our readers, and therefore, when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten, after it has done its quilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."
That this medicine will cure Liver Complaint and Dyspepsia, no one can doubt, after using it as directed. It acts specifically upon the stomach and liver—it is preferable to calomel in all bilious diseases—the effect is immediate.—They can be administered to Females or Infants with safety and reliable benefit, at any time.

TO THE AFFLICTED.—I feel myself in duty bound to state to the public, the benefit received from Dr. MAYER, No. 218 Grand st., and to express my thanks to him, for the same. I am now 44 years of age, and have suffered severely from attacks of Epilepsy, since I was about 16 years old. I heard of Dr. MAYER'S Remedy on the 18th of September, and went immediately to see him. I then felt, and had felt, for a week previous to this date, all the symptoms of a severe attack of Epilepsy, and was fearful that an attack was close at hand. I took his medicine the next day and felt almost immediate relief. The attack expected was prevented, and I felt like a new man. No attacks have come upon me since that date, which is now near four weeks, and I have great hopes and encouragements to believe they never may. No remedy that I have ever tried has seem'd to have such an effect upon me. Try it and be not fearful, (if you are troubled with Epilepsy,) and that without delay. Surely, to me it has proved almost miraculous.
Yours, respectfully, WM. H. PARSELLS.

THE WORLD'S HAIR RESTORER.—Warranted to contain no deleterious ingredient, a never-failing life color restorer and preserver of the Hair, Skin and Sight; it is death to gray hairs, and destruction to wigs and scratches. This valuable preparation, different from all others, has been used for many years. Its effect is certain in every instance, which is attested by hundreds of ladies recommending it who, having tried all the nostrums seriously injuring their health and hair, being composed of deleterious articles, such as lead, lime, caustic, &c., which causes hair to grow on the palms of your hands, and sends many to an untimely grave. The Restorer will prevent the falling out of the hair; it will also remove and prevent headache, scurf dandruff, scald head, or any eruptions of the skin. Persons sending orders for the Restorer, must state the color of the hair, dark or light. It has been thoroughly tested by long experience and practice, that the ingredients that will restore light hair, will have no effect on black. I have had a great many certificates offered to me, but do not intend to publish any, for the Restorer requires no such puffing. Mrs. ALLEN'S WORLD'S HAIR RESTORER is put up in large bottles at $1 50 per bottle. One is generally enough for a year. The great demand for it is productive of many worthless imitations.
For sale at Mrs. Berrian's, No. 180 Bowery; Mrs. Heath's, No. 319 Grand-st.; Mrs. Delmonico's, No. 214 Bleecker-st.; Misses Pallerson & Fowler's, No. 1164 Broadway; Mr. Wood's, No. 269 Fulton-st., Brooklyn; Mrs. Parker's, No. 148 Grand-st., Williamsburgh; Miss E. Cooper's, Middletown, Monmouth Co., N. J.; and at the manufacturer's, No. 355 Broome-st., corner of Elizabeth-st. Agents wanted for the Restorer throughout the United States and Cuba. See *The New-York Chronicle* for old advertisements. There is no Druggist an authorized agent for the Restorer. o22 2t W & S*
