Resolved, That the Whigs of the VIth Ward will give their hearty support to the regular Whig candidates nominated for Charter and State officers at the ensuing election, and will use all honorable means to secure their election.

Resolved, That in NOAH WORRALL, our candidate for Alderman, we recognize a true and efficient Whig, a man whose interests are identified with the Mechanic and Laborer, and whose long residence in the Ward and high character for integrity, are a sure guarantee that he is a fit and proper man for the office to which he is nominated.

Resolved, That in CHRISTIAN W. SCHAFFER, our candidate for Assistant Alderman, we recognize a long-tried and faithful Whig, who has always been the friend and supporter of Henry Clay, and who is a man able in all respects faithfully to represent the Ward in the City Government.

Resolved, That in our candidate for Senator, ALEX. H. SWORDS, as a Member of Assembly from this District, that his renomination was but an act of justice to him, for his manly and efficient support of Whig principles in the last Legislature, for his broad national views upon the national questions, which have agitated the country, and for his services as a member of the Committee appointed by the Whig members of the last Legislature to reconcile the differences of opinion that existed in the Whig party upon the Compromise questions.

Resolved, That the Whig State Administration is entitled to and should receive the support of fair and candid men of all parties, for upholding the cause of Internal Improvements, and particularly of the Speedy Enlargement of the Erie Canal, a cause upon which rests, in a high degree, the prosperity, glory and honor of the City and State.
