One or two bottles of the antidote will cure the most inveterate smokers, and will cost no more while taking it than would be spent for segars during the same time. Sold at C. H. Ring's, corner of Broadway and John street, and at Mrs. Hayes' No. 175 Fulton street, Brooklyn. Price 75 cents per bottle.

HELVETIA AND LAFAYETTE GOLD MINING COMpany, (located at Grass Valley, California,) organized July 7, 1852, is now in full title of successful operation; its veins are opened, being worked, and highly productive; its mill is of great power, complete in all respects, and now working with the most satisfactory results; and its prospects for future success founded on actual experience, are of an unusually flattering nature.
