A Wonderful Discovery has recently been made by Dr. Curtis, of this city, in the treatment of consumptive asthma and other diseases of the lungs. We refer to "Dr. Curtis' hygeana, or inhaling hygean vapor and cherry syrup." With this new method Dr. C. has restored many afflicted ones to perfect health as an evidence of which he has innumerable certificates. Speaking of the treatment, a physician remarks:—"It is evident that by inhaling constantly breathing an agreeable, healing vapor, the medicinal properties must come in direct contact with the whole of the aerial avenues of the lungs, and thus escape the many and varied changes produced upon them when introduced into the stomach and subjected to the process of digestion." CONSUMPTION CURED.

NEW YORK, Dec 27, 1853.

I came to New York in the ship Telegraph; my native place is St. John, New Brunswick; when I reached this city my health was very poor; had a very bad cough, raised a good deal of matter, which was frequently mixed with blood; had pain in my left side, and was very weak and emaciated. My friends and physician pronounced my case consumption and beyond the reach of medicine. I accidentally heard of Dr. Curtis' hygeana, or inhaling hygean vapor and cherry syrup, and obtained a pamphlet, which I verily believe was the means of saving my life. Soon after wearing the inhaler I found it relieved the pressure on my lungs, and after a while the disease made its appearance upon the surface under the inhaler. I took the cherry syrup as directed and continued to do so, my cough gradually growing better until it entirely left me, and I now consider myself cured. I still wear the inhaler as the use of it is rather pleasant, and believing it strengthening and purifying to the lungs, feel unwilling at present to dispense with it. JOHN WOOD.

Sold by BOYD & PAUL, No. 40 Cortlandt street; C. H. RING, corner of John street and Broadway N. Y. Price $3 a package. N. B.—Any person including $3 to Boyd & Paul or Curtis & Perkins, New York will receive a package containing a bottle of hygean vapor, one of cherry syrup and an inhaler, in a neat box, by express, free to any part of the United States or four packages for $10. The hygeana is for sale at all the druggists in the country.

Dr. McClintock's Cold and Cough Mixture, price 25 cents, is adapted for recent colds and coughs. Dr McClintock's Asthma and Hooping Cough Mixture is a prompt and unfailing relief for those dreadful complaints. Dr. McClintock's Rheumatic Liniment and Mixture, used in conjunction, have cured thousands of the sufferers, price 50 cents each. Dr. McClintock's Alterative Syrup for purifying the blood is more effectual and certain than any preparation of sarsaparilla or other purifier ever discovered. The above valuable medicines are sold by the principal apothecaries and by A. Cushman & Co., proprietors of Dr McClintock's family medicines, 132 Fulton street, up stairs.
