Great Auction Sale of Brooklyn Lots.—The attention of our readers is directed to the great and positive sale to be made at auction this day, at 12 o'clock M., at the Merchants' Exchange, by ALBERT H. NICOLAY, auctioneer, consisting of 300 beautiful building lots, situated on Twenty first, Twenty second, Twenty third, Twenty-fourth and Twenty-fifth streets, and First, Second, Third, Fourth, Fifth, Sixth and Seventh avenues; also, a valuable water right, in the Eighth ward, in the city of Brooklyn. These lots are desirably situated for immediate improvement, having a panoramic view of all the surrounding places for miles, including the entire beautiful bay of New York. Most of the streets and avenues are opened, graded, paved, curb and gutter set, and sidewalks graded and regulated, for which all the assessments have been paid. All the leading railroads which are now being constructed in the city of Brooklyn will run from the various ferries within a short distance of this property. The location is perfectly healthy, and the water of the purest kind. Property is rising very rapidly in the vicinity. The terms of sale are unusually liberal, as seventy per cent can remain on bond and mortgage three years, at 7 per cent, or 5 per cent discount for cash. For full particulars we refer our readers, and all those who are seeking a desirable location for residences, to read the advertisement in another column of this paper, as we think this an opportunity which should be embraced by every one, either for investment or for improvement.
