☞ **Seventh Ward.**—At a meeting of the VIIth Ward Whig Committee, held on Monday Evening, 23d inst., it was
Resolved, That an election for five members to the Democratic Whig General Committee, five members to the Democratic Whig Young Men's General Committee, and thirty five members to compose a Ward Committee, be held on TUESDAY, the 30th inst., at East Broadway House, corner of Pike st. and East Broadway, between the hours of 7 A. M. and 12 M.; and that James R. Terry, David W. Price and Herman Boyd be Inspectors thereof, with power to add to their number.
By order of the Ward Committee,
DAVID WEGE, Chairman.
JOS. T. MILLS, Secretary.
SEVENTH WARD.—The undersigned, Inspectors appointed by the Whig Ward Committee of the VIIth Ward, to act at the Primary Election held at the corner of Henry and Rutgers-sts., called by the Whig Ward Committee, in conformity with a call issued by the Whig General Committee, for the election of General and Ward Committees for the ensuing year, having found it impossible to perform the duties for which we were appointed, owing to the disorderly proceedings of the persons there assembled, some of whom we know, and many of whom we believe, to have been Loco Focos, who crowded around the ballot boxes and prevented respectable Whig citizens from deposing their votes, and at times prevented a portion of the Inspectors from performing their duties, or being able even to see the ballot boxes, did, about 4 o'clock, leave the room where the said Election was being held, and, do, in consequence of said disorderly proceedings, and the fact of Loco-Focos having deposited votes at said Election, hereby protest against all the proceedings of said Election, as having been illegal and void.
JAMES R. TERRY,
DAVID W. PRICE,
HERMAN BOYD.

☞ **Seventh Ward.**—The Whigs of this Ward, in pursuance of the call of the General and Ward Committees, held an election on the afternoon of the 17th inst., and elected delegates to the above-named Committees; and at that time a certain clique of politicians, famous for small matters, were defeated. Not satisfied by this expression of the people's will, they have since become exceedingly moral and honest; and after protesting against the said election as being unfair, and asserting that Loco-Focos filled the room, and after pulling certain Inspectors out of the room, on the occasion, because they found they were beaten, have now prevailed upon a portion of the Ward Committee to call another election, which is to be held on TUESDAY, (this day,) in the rear basement of the Porter-house, corner of East Broadway and Pike-st. Tickets to be had at the bar. For further particulars, apply to the members of the Executive Committee.

☞ **To Pierce & Valentine.**—When I put forth my challenge to test Safes by fire, I made a proposition for a fair and impartial trial; so just is it, that you cannot take any exceptions and yet dare not meet it, and therefore seek to prevaricate and distract attention from the true issue by stating that you want "a blast or blow pipe heat" (such as no Safe would receive in a building for five hours, thus destroying both Safes, which would defeat the object I have in view, which was to satisfy any one who may have a remaining doubt of the ability of any safes to withstand the burning of my new building.
Why, sir, if you really do want a blow-pipe test of your Safe, I will undertake publicly to destroy the best Safe you have ever made, in less than two hours time.
But, gentlemen, the public do not want such a trial to test the quality of one-proof Safes, and you know full well that your Safe can be readily destroyed without a blast, and that my Safe will stand where yours will fail. I stand ready at any time to carry out my offer, and will leave it entirely to the committee (of which you shall have the nominating of one half) as to the manner how the Safes shall be tested. So much more explicit on that point. I want your next excuse, as I will know you dare not subject your Safe to a fair trial with the Salamanders.
