NEW PUBLICATIONS.

A CARD.—THE ATTENTION OF THE UNDERSIGNED having been called to a book, just published, entitled, "Look Out Corners," which contains injurious statements respecting the late firm of Bagglehall, Florio & Co., to the effect that they were in the habit of imposing upon their numerous customers by selling vile manufactured liquors for pure, genuine articles, I deem it but justice to myself, as well as the friends of the late firm, to deny these charges in the most emphatic manner. No article of liquor was ever sold by Bagglehall, Florio & Co., which was not genuine and precisely as represented. I am aware that some calling themselves "respectable dealers" are in the habit of manufacturing spurious articles, but am proud to be able to declare that no firm of which I have ever been a member has been guilty of such practices. Whether I shall seek legal redress against the perpetrators of this outrage, in the present unsatisfactory state of the laws, must depend on circumstances. Meanwhile, I hasten to make this public denial of the charges. R. S. BAGGLEHALL,
Late Bagglehall, Florio & Co., 317 Broadway, New York.
