M., when the first semi-annual report of the condition of this Society will be laid before the members.—Successful has been its operation that each share on which only $15 has been paid is worth $37 50; and it will terminate in a little over five years. The present entrance fee is $3 per share, which will be materially increased after this meeting. As there are but a few shares yet to be disposed of, persons who wish to join this most successful Society had better avail themselves of this opportunity.

This is the last chance to join this Society at fifty cents entrance fee, and persons who contemplate forming a Building Association, had better attend the meeting.

M. The monthly dues are $2 per month and interest allowed on dues paid in advance, not less than six months.

☞ **Second Relation of a Good Story.**—It is generally admitted that "a good thing is none the worse to be twice told." Taking advantage of this license for repetition, we reiterate that our opinion, backed up by prolonged experience remains more decided than formerly regarding the unapproachable virtues of the HYPERION FLUID for the Hair, and Amole for Shaving, invented and sold by WM. BOGLE, No. 277 Washington-st. Amole most means "Shaving made easy," at least that is the nearest interpretation we give to its effects when in use.

To be had of A. B. & D. SANDS, No. 100 Fulton st., Rushton, Clark & Co., No. 273 Broadway; J. Milnor & Co. No. 182 Broadway; Wm. H. Carr & Co., No. 355 Bowery, N. Y.; and by the Druggists and Perfumers throughout the world.
