MEDICAL.

IMPORTANT DISCOVERY IN THE SCIENCE OF MEdicine—TRIESMAR.—None are genuine unless the engravings of the seals of the Patent Office of England, the seals of Ecole de Pharmacie de Paris, and the Imperial College of Vienna, are fixed upon each wrapper, and around each box. Triesmar No. 1 is the remedy for debility, premature decay &c.; its invigorating powers are astonishing, even in the decline of life; all physical impediments vanish; the mind is better by its influence, thus rendering its use invaluable to those entering the marriage state. Triesmar No. 2 entirely eradicates all those disorders which copaiva and cubebs have so long been thought an antidote for, to the ruin of the health of a vast portion of the population.
