ORIENTAL LODGE NO. 68 I. O. OF O. F.—THE MEMbers of this lodge are particularly requested to attend the funeral of our deceased brother, Richard C. Valentine, this day, March 27, at 2 P. M., at his late residence, 205 East Broadway. E. A. HARRIS, N. G.
R. W. CHAPMAN, Secretary.

OFFICE OF THE CUMBERLAND COAL AND IRON Company, corner of Broadway and Wall street, New York, March 17, 1858.—Notice is hereby given that a special meeting of the stockholders of the Cumberland Coal and Iron Company will be held at the office of the Company, No. 90 Broadway, in the city of New York, on Thursday, the 15th day of April, 1858, at 12 o'clock M., for the purpose of considering and deciding on the acceptance of the amendments to the charter of the Company authorized at the recent session of the Legislature of Maryland, and on the issue of a preferred stock, and on the terms and conditions thereof; and also to consider and decide on such other questions as may be respectably proposed for the consideration and measures of the Company and such other matters as may come before the meeting. By order
EDW. F. LOOMIS, Secretary.

PROPOSALS ARE INVITED FOR KEEPING IN REpair the lines of the Magnetic Telegraph Company between New York and Washington, or any part thereof of not less than fifty miles.
The line on the railroad consists of four wires between New York and Washington. The line on the common road of two wires—the entire distance.
Proposals will state the charge per mile for keeping the wires in order, properly insulated, and the charge of substituting new wires, in place of those found defective, of twenty-five feet long, peeled, and six inches in diameter at small end. Address J. Kendall, General Superintendent, Washington, D. C.

ST. PATRICK'S DAY CHARITABLE SUBSCRIPTION.—The Mother Superior of the Institution of Mercy, Houston street, gratefully acknowledges the receipt of $50 from "Pity O'Reilly, being the subscription of the Hibernian Universal Benevolent Society in their meeting on St. Patrick's day.

SHIP'S PATENT BLOCK.—THE UNDERSIGNED WILL receive proposals until the 1st of May next for the purchase of the right to manufacture and sell the Russell & Waterman patent block in the States of Maine, Massachusetts and New Hampshire, or either or separate districts of either, for the extended term of said patent—seven years from the 31st of January, 1858—reserving the right to reject the whole or any part of said proposals, but if any are accepted to sell it to the highest bidder. J. S. MACKAY,
No. 6 Court street, Brooklyn, N. Y.

WASHINGTON AQUEDUCT,
OFFICE OF THE WASHINGTON AQUEDUCT,
WASHINGTON, March 8, 1858.
Proposals are invited for the completion of the Washington Aqueduct, according to plans and specifications which will be on exhibition in this office on and after the 15th of April.
Bids will be received for the completion of the whole work in gross, or for the separate works described in the specifications, the United States reserving the right to make a contract for the whole, or for the separate works, as may seem most advantageous upon comparison of the bids.
A portion only of the work can be completed with the appropriations now available, and the contracts will be subject to the contingency of future appropriations by Congress.
The engineer reserves the right to prescribe the amount of work to be done and the rate of progress under each contract and for each work.
Payments will be made in checks upon the United States Treasury upon the monthly estimates of the engineer, reserving 10 per cent on all payments until the completion of the contract; and it will be a condition of all contracts that the workmen shall be paid their full wages monthly, and in specie.
Proposals should be sealed and endorsed "Proposals for work and materials for the Washington Aqueduct."
The United States reserves the right to reject any or all bids for the whole or for any part of the work, if not deemed advantageous; but the work will be awarded to the lowest bidders for the whole or for parts of the work, who give good security for the completion of their contracts, if at reasonable prices.
Every offer must be accompanied by a written guarantee, signed by one or more responsible persons, to the effect that he or they undertake that the bidder or bidders will, if his or their bids be accepted, enter into an obligation within ten days, with good and sufficient securities, for the completion of the work undertaken; said guarantee to be accompanied by the certificate of the United States District Judge, United States District Attorney, Navy Agent, or some other officer of general prominence, or individual known to the Engineer or Department of War, that the guarantors are able to make good their guarantee.
Bids will be opened in the presence of the bidders at noon of the 15th May; none will be received after that hour.
The work to be let comprises—completion of the dam across the Potomac, at the Great Falls; building of gate house; completion of masonry bridges; waste weirs; building distributing reservoir; completion of conduit; furnishing cast iron pipe; building of two iron pipe bridges; laying pipes from the distributing reservoir to the Navy Yard, and other principal public establishments of Washington; building of high service reservoir in Georgetown, and supply of cement, sand, bricks, stone and all other materials; for all of which reference is to be made to the detailed descriptions and specifications to be exhibited in this office.
The comparison of the bids will be made upon the quantities noted in the specifications and plans to be exhibited at the time of letting, and should a bid in gross be accepted, the monthly payments upon the contracts will be made upon the estimate of the Engineer, at prices to be fixed by him, with the usual reservation of ten per cent until the entire completion of the contract according to the specifications and plans.
Proposals should state the time within which each work will be completed, provided Congress appropriates the necessary funds.
By order of the Secretary of War,
M. C. MEIGS,
Captain of Engineers in charge of Washington Aqueduct.

FORM OF GUARANTEE.
To CAPT. M. C. MEIGS, U. S. ENGINEERS:—
We, the undersigned, residents of ——, in the State of ——, hereby, jointly and severally, covenant with the United States, and guaranty, in case the foregoing bid of —— be accepted, that he or they will, within ten days after the acceptance of the said bid, execute the contract for the same, with good and sufficient sureties to perform the work or furnish the articles proposed, in conformity to the terms of the advertisement under which it was made. And in case the said —— shall fail to enter into contract as aforesaid, we guaranty to make good the difference between the offer by the said —— and the next lowest bidder.
Signed. A. B.
C. D.
I hereby certify that, to the best of my knowledge and belief, the abovenamed guarantors are good and sufficient.
Signed. E. F.
