### Men's Summer Clothes

Palm Beach suit, white duck trousers, wash vests, white wash ties, etc., are a part of the summer season's work that we aim to launder in an especially satisfactory manner. Most men who are particular about the looks of their clothing of this kind send it to us to be laundered. No home work, no matter how carefully done, can equal ours—and no other laundry will give it the careful attention we do.  
Our service is prompt and priced right.

### HAD A REASON.

We have just heard about a Lakewood lady who advertised for a girl to do general housework and got a jewel of a personal reply. The young woman who answered the ad was strong, capable, intelligent, neat and possessed of training for the position. "You'll do!" cried the lady of the house, happily. "Now let's see your references." "Ay ent got no references, mum," confessed Hilda. "Ay ban tore 'em up."

"What? Tore them up? Why, you must have been mad!" "Ay was, ven ay saw 'em. Dot's vy ay ban tore 'em up!"

### Taking No Chances.

Jack—The ring doesn't seem to fit very well, Alice. Hadn't I better take it back and have it made smaller? Alice—No, Jack; an engagement ring is an engagement ring, even if I had to wear it around my neck.

### NOT MUCH SHOW.

He—Don't you think we could be happy on \$20 per week? She—Well, I couldn't be happy with my first husband on \$30.

"Twas Ever Thus. You cannot satisfy some men, No matter how you try; Give them the bread they ask for And they will kick for pie.

**His Type.**  
"The writer you introduced to me was very stooped and awkward. And he has such a poor carriage." "Of course. He's nothing but a hack."

**No Inferior Place.**  
"Did you select your son's college for its curriculum, Mrs. Comeup?" "Of course, we did. The boy's always been accustomed to the best kind of a one at home."

**It's a Hurry Call, Officer!**  
Boozywooz—Nature must have picked the camel for a sure winner. Blinkywink—What's the reply? Boozywooz—Because that is the only animal she backed up.

**Mermals Plentiful.**  
Bill—It has been estimated that every square mile of the ocean is inhabited by 120,000,000 living beings. Jill—Then, of course, there must be a lot of mermals in the bunch.

**Dressy Collegians.**  
Patience—An automobile repair course has been added to the curriculum of an Iowa agricultural college. Patrice—Now in speaking of college togs don't forget the overalls.

**Legal Talk.**  
"That fellow must be a lawyer." "Are you a reader of character?" "No," said the waiter, "but when I asked him to repeat his order he said a ham sandwich as aforesaid."

**Homely Girl.**  
"Glasses improve Maud's looks a good deal." "Naturally; they conceal part of her face."

### BUT NOT CALLING MAYHAP.

Big Sister—Fred says if I don't keep you out of the room when he calls he will stop calling. Willie—Well, sis, dey's others, you know.

**Premature Joy.**  
He popped; the maiden answered, "Yes"—With joy he thought he'd smother; But she'd not finished: "Yes—today I said 'Yes' to another."

**The Latest Thing.**  
"Now, this one is stuffed with anti-septic sawdust and dressed in thoroughly sterilized clothes." "I see. A eugenic doll baby."—Puck.

**Shame on You, Paw.**  
Little Lamuel—Say, paw, what's the good of war, anyway? Paw—Well, son, it takes a lot of brass bands to the front.

### ITCHING ECZEMA IS DRIED RIGHT UP WITH SULPHUR

Use like cold cream to subdue irritation and clear the skin.

Any breaking out or irritation on the face, arms, legs and body when accompanied by itching, or when the skin is dry and feverish, can be readily overcome by applying a little bold-sulphur, says a noted dermatologist.  
He informs us that bold-sulphur instantly allays the angry itching and irritation and soothes and heals the eczema right up leaving the skin clear and smooth. Bold-sulphur has occupied a secure position for many years in the treatment of cutaneous disorders because of its parasite-destroying property. Nothing has ever been found to take its place in treating the irritable and inflammatory skin affections. While not always establishing a permanent cure it never fails to subdue the itching irritation and drive the eczema away and it is often years later before any eruption again appears.  
Those troubled should obtain from any druggist an ounce of bold-sulphur, which is applied to the affected parts in the same manner as an ordinary cold cream. It is unpleasant and the prompt relief afforded, particularly in itching eczema, proves very welcome.

### THRIFT

If thrift does not come natural to you, cultivate it. Realize the fact that every man who has a dollar put aside is a capitalist.  
We earnestly urge you to open an account with this bank for any sum. Either a Checking or a Savings account, in addition to being convenient encourages you not to use your money except in a wise way.  
The prosperity you enjoy today does not guarantee you prosperity tomorrow. Changes in the business and industrial world may later on deprive you of your present measure of prosperity.
