HELPER'S FALSEHOOD EXPOSED.

SOUTHERN WEALTH AND NORTHERN PROFITS, AS EXHIBITED BY STATISTICAL FACTS AND OFFICIAL FIGURES.

BY THOMAS PRENTICE KETTELL, LATE EDITOR OF THE DEMOCRATIC REVIEW.

In one vol 8vo., pp. 173. Price 50 cents. Bound in cloth, 75 cents.

In the present volume the official figures are concisely produced and analyzed, exposing those inconceivably erroneous assumptions and fabrications of "Helper's Crisis," which tend to irritate the South, mislead the North, and create sectional dissensions, for the sole benefit of unscrupulous politicians.

The immense wealth produced at the South is clearly demonstrated, and the expenditure and accumulation of that wealth at the North, where it stimulates industry, employs shipping, constructs palaces, builds railroads, equips manufactories, impels trade, conferring affluence upon many and opulence upon all, clearly ingrafted and made visibly manifest.

The work will be sent by mail, postage free, on receipt of price as above.
