OFFICIAL—TREASURY DEPARTMENT, APRIL 29, 1861.—Sealed proposals will be received at this Department, until 12 o'clock (noon) of Thursday, the 30th day of May next, unless the whole amount offered be sooner taken at par, for thirteen millions nine hundred and seventy eight thousand dollars of stock of the United States, under the act of Congress approved 22d June, 1860, authorizing a loan and providing for the redemption of Treasury notes. No offer by the terms of the act can be accepted at less than par, or for any fraction of one thousand dollars; nor can any offer be considered unless one per cent of the amount thereof be first deposited with the Treasurer of the United States, or either of the Assistant Treasurers at Boston, New York or Philadelphia, subject to the order of the Secretary of the Treasury. Should any accepted bidder desire certificates of stock, with coupons of semi annual interest attached to each certificate, they will be issued accordingly in sums of one thousand dollars each, with coupons attached for interest from the 1st day of July next. Such coupon stock, instead of being transferable on the books of the Treasury, may be assigned and transferred by delivery. The interest on such coupon stock from the date of the deposit therefor to the first day of July next will be paid on that day to the accepted bidder or his assigns or attorney, by the depository with whom the principal was deposited. The proposals under this notice should be endorsed on the envelopes "Proposals for Loan of 5th February, 1861," and addressed to the Secretary of the Treasury; or they may be put under cover to the Assistant Treasurer at New York, who will forward them to this Department. They should be sent in season to be opened and decided at the time above stated. The preliminary deposit of one per cent required from all bidders, will be included in the final deposit of successful bidders, and will be directed to be immediately returned to unsuccessful bidders.
