We have received a fine copy of Lloyd's great Military Map of the "Seat of War in Virginia." This is the best and only official map in existence, taken from actual surveys by order of the Executive. It is beautifully printed from steel plates, and colored with great perfection of art, and is the only map used in the planning of our campaigns in Virginia by our Commander-in-Chief. The publisher is J. T. Lloyd, No. 164 Broadway.
