NOTICE TO TAXPAYERS.—OFFICE OF THE COMmissioners of Taxes and Assessments, No. 32 Chambers street, New York, January 13, 1862.—Notice is hereby given that the assessment rolls of real and personal estate of the city of New York for the year 1862 are now open for public inspection, and will continue open until the 30th day of April next, inclusive. All taxpayers are earnestly requested to call and examine the same, in order that any errors in the assessments may be corrected. Also all persons entitled by law to reduction of their assessments, by reason of being clergymen or for military services; and also literary or charitable institutions, by law exempt from taxation, are requested to make application for such reduction or exemption, previous to the closing of the rolls on said 30th day of April.

The following section of the act of April 15, 1859, is published for the information of taxpayers:—

SECTION 10. During the time the books shall be open to public inspection, as hereinbefore provided, application may be made by any person considering himself aggrieved by the assessed valuation of his real or personal estate, to have the same corrected. If such application be made in relation to the assessed valuation of real estate, it must be made in writing, stating the ground of objection thereto, and thereupon the Commissioners shall examine into the complaint, and if, in their judgment, the assessment is erroneous, they shall cause the same to be corrected. If such application be made in relation to the assessed valuation of personal estate, the applicant shall be examined under oath by the said Commissioners, who shall be authorized to administer such oath, or any of them; and if, in his or their judgment, the assessment is erroneous, they shall cause the same to be corrected, and fix the amount of such assessment as they may believe to be just, and declare their decision thereon within thirty days after such application shall have been made to them. No reduction shall be made by the Board of Supervisors of any assessment on real or personal estate imposed under this act, unless it shall appear, under oath or affirmation, that the party aggrieved was unable to attend within the period prescribed for the correction of taxes, by reason of sickness or absence. TO CITY TAXPAYERS.—FOR SALE, THE SPLENDID Country Site of E. K. Collins, consisting of 300 acres; a fine, substantial old mansion, in a lawn of 14 acres of lofty shade trees, native and imported, of innumerable varieties; a garden of four acres, tastefully designed and stocked with fruit and flowers; all necessary outbuildings, including farm house, bowling alley and yachtman's cottage, fronting on a fine harbor. The situation has unequalled advantages for either private residence or for speculation, having a bold shore on the Sound one mile in extent; two sides belted by creek and inlets and one side by main road; the lands tracing the river gently slope either way, so that a hundred building sites can each command splendid views of the Sound and surrounding country, leaving in the centre, if desired, a fine park; two-thirds of the sites will have water fronts; the place is perfectly healthy, water excellent and the air invigorating; distance eighteen miles by New Haven Railroad; accessible almost hourly; business men can reach the City Hall from this place in less time than those from Harlem by the avenue cars. Persons desirous of avoiding city taxes, and the detention and dangers of ice and fogs, in crossing the rivers, will do well to give this advertisement attention.
