AN ACT TO CONFER ADDITIONAL POWER UPON the Metropolitan Police, passed April 1, 1862.

The people of the State of New York, represented in Senate and Assembly, do enact as follows:—

Section 1. Every owner of a steam boiler or boilers, in use in the Metropolitan Police District, shall annually, and at such oftener times and in such manner and form as may by rules and regulations, to be made therefor by the Metropolitan Police Board, at its headquarters, the location of such steam boiler or boilers, and thereupon, and as soon thereafter as practicable, the Metropolitan Sanitary Company, or such number or members thereof as may be competent for the duty here in prescribed, and may be detailed for such duty by the Metropolitan Police Board (but no person shall be detailed for such duty except he be a practical engineer), who shall proceed to inspect such steam boiler or boilers. And all appliances connected therewith, and the strength and security of such boilers, shall be tested by hydraulic pressure, and they shall limit the pressure of steam to be applied to or upon such boilers, certifying such inspection and with the limit of pressure to the owner of the boiler inspected, and also to the engineer in charge of the same, and no greater amount of steam or pressure than that certified in the case of any boiler shall be applied thereto. Delimiting the amount of pressure, wherever the boiler under the test will bear the same, the limit desired by the owner of the boiler shall be the one certified.

Sec. 2. The Metropolitan Police Board shall preserve in proper form a correct record of all inspection of steam boilers, and of the amount of steam or pressure allowed in each case, and in cases where any steam boiler or the appliances or apparatus connected therewith shall be deemed by the Board after inspection to be insecure or dangerous, the Board shall prescribe such changes and alterations as may render such boilers, apparatus and appliances secure and devoid of danger. And in the mean time, and until such changes and alterations are made, and such appliances attached, such boiler, apparatus and appliances may be taken under the control of the Police Board, and all persons prevented from using the same; and in cases deemed necessary, the appliances, apparatus or attachments for the limitation of pressure may be taken under the control of the said Police Board, and no owner or agent of any steam boiler shall employ any person as engineer without their having a certificate as to qualification from practical engineers, to be countersigned by the Commissioners of Police.

Sec. 3. Any person applying or causing to be applied to any steam boiler a higher pressure of steam than that limited for the same in accordance with the provisions of this Act, and any person violating the provisions of the second section of this Act, shall be guilty of a misdemeanor, and whenever any owner of any steam boiler in the Metropolitan District shall fail or omit to have the same reported for inspection as provided for by this Act, such boiler may be taken under the control of the Metropolitan Police Board, and all persons prevented from using the same until it can be satisfactorily tested as herein provided for, and the owner shall in such case be charged with the expense of so testing it.

Sec. 4. This act shall take effect immediately.

CENTRAL DEPARTMENT OF METROPOLITAN POLICE, 413 BROOME STREET, CORNER OF ELM, NEW YORK, May 1, 1862.

In conformity with the provisions of the act entitled "An act to confer additional powers upon the Metropolitan Police relating to the inspection of steam boilers, passed April 1, 1862," all persons owning or using any stationary steam boiler or boilers in the Metropolitan Police district, except those connected with ranges in private dwellings, are required to report to the Board of Police in writing, between this date and the 30th day of May, 1862, the location of such boiler or boilers so owned or used by them, and the business or purpose for which such boilers are used, and thereafter in case of any removal of a steam boiler or the erection of a new one, a like report shall be made forthwith; and all parties are requested to have a nipple and cock 1½ inches diameter put in some convenient part of their steam boiler, so that the inspectors will have no delay in making connections for testing.

By order of the Board of Police.
SETH C. HAWLEY, Chief Clerk.
