Men of New York—Your bleeding country calls upon you to rally to her succor. Now is your time to show to the world it does not require a draft within the Union lines to crush this gigantic rebellion.

COME FORWARD, ONE AND ALL, TO THE CALL OF YOUR COUNTRY.

Irishmen, your strong right hand is needed to-day before Richmond. The blood of thousands of your fellow countrymen cries to you for vengeance. The land of your adoption—her camp fires on earth—stretches forth her shattered arms to you and implores you that as she has helped you and cherished you in your day of distress, that you will now leap forward to her rescue in this her hour of need. Shall that call be in vain? Will you pay back part of the obligations you owe her? A happy home, free speech, your religion tolerated and respected, your people elevated to the highest position in the land—all this has she done for you and yours, and will you be recreant to all the virtues of humanity and gratitude, and allow the most glorious land, the freest government, the perfection of human happiness the world has ever seen, to be polluted, rent asunder and crushed by the worst despotism—aye far worse than sunny Erin ever endured?

Remember this cursed rebellion is fostered and nourished by our hereditary enemy, England; remember her ships and money fan and keep alive this unholy war, and now she says she is going to take a hand in. Get great she may. Irishmen, the opportunity so long sought for dawns at last. The call we make upon you to-day for our homes and firesides will be promptly responded to.

The Phœnix, the mother of brave Irishmen, calls upon her children of '48 to rally round her Green Banner, and, marching side by side with the Stars and Stripes, carry the music of the Union to the utmost boundaries of the land.

$50 cash from the State, $25 when regiment is mustered in, in addition to relief tickets for families, thus all excuses on account of family destitution will be done away with. Also from $13 to $23 per month, with good, sufficient rations. Uniforms obtained as soon as the recruit is sworn in. State bounty, $50; United States bounty, $100; $25 of which is paid in advance. Teamsters, drummers, &c. Headquarters 16 Centre street.
