SALES OF REAL ESTATE.

A RARE OPPORTUNITY FOR CAPITALISTS OR persons desiring Country Residences.
The subscriber offers for sale his Country Residence, recently surveyed and laid out so that it can be divided into three distinct parcels, each having a water front and most splendid building sites. The property consists of 300 acres, a fine, stylish old mansion, in a lawn of fourteen acres of lofty shade trees, native and imported, innumerable and of great variety; a garden tastefully designed and stocked with fruits and flowers; out buildings, including farm house, yachtsman's cottage, "fronting on a fine harbor," and a bowling alley. The situation has unequalled advantages for either a private residence or for speculation, having a bold shore on the Sound a mile in extent, two sides belted by creek and inlet, one side by the main road; the lands tracing the rivers gently slope either way, so that every building site commands fine views of the Sound and surrounding country. Two-thirds of the sites can have water fronts. The place is perfectly healthy, water excellent and air invigorating. Distance from the city 18 miles by New Haven Railroad; business men can reach the city from this place in less time than from Harlem by the avenue cars. Persons desirous of avoiding city taxes, the dangers and detentions in crossing the rivers, will do well to give this advertisement their early attention. No estate of equal size within one hundred miles of New York combines the diversified advantages and real elegance of this old residence in every particular and all its appointments. The present distance to railroad stations, two miles. When "Chatsworth" is made a station, now in contemplation (depot already built), the distance will be only half a mile. Apply on the premises to
