PROPOSALS.

TO CONTRACTORS.
Proposals will be received until the 14th day of May, 1863, at 12 M., for filling, grading and paving Broad street, in West Troy, from the north side of Auburn street to its southern terminus, including the gutters thereof.
The street to be excavated, regulated and graded under the direction of the Village Surveyor, and to be paved with trap block Belgian pavement, each block measuring on the face or upper surface not less than four nor more than seven inches in length, and not less than four nor more than five inches in width, and in depth not less than six nor more than eight inches; to be laid on a prepared bed of clean sand or river gravel not less than one foot in depth.
The trap blocks are to be laid at right angles to the line of street, and with such rise or arch as the said surveyor may direct, each course to be of blocks of a uniform width and depth, and so laid that all longitudinal joints shall be broken by a lap of at least two inches. The waste of the work to be done in a manner more particularly described in the blank forms of contract and specifications to be furnished to persons who may desire to bid for the same.
Security will be required in the sum of ten thousand dollars for the faithful performance of the work.
The proposals for this work will be publicly opened by the undersigned at the room of the Board of Trustees, in said village, on the 15th day of May, at 12½ o'clock P. M., and the contract awarded to the lowest bidder who shall comply with the terms of the contract and the act in relation thereto.
Blank forms of contract and specifications, together with the Surveyor's estimate of materials, will be furnished on application to JAMES DUFFY, Esq., President of said village.
