ASTROLOGY.

A. B. MAURICE, THE REAL ASTROLOGER, PRACtices nothing but what is reconcilable to philosophers. Astrology teaches the nature of the various planets, the influence they exert upon our earth in their passage through the successive signs of the zodiac, the effects upon the character, and fortunes of mankind, according to their positions. Professor Maurice has a profound knowledge of the rules of the science of the stars, and as the hand of fate has marked out the path of each individual, so will Professor Maurice unfold its meanderings, covering the whole field of all that relates to your happiness or misery through your whole life; he will describe the intended husband or wife, and tells the very day you will marry, and in causing speedy marriages will bring success out of the most hopeless cases. All who consult Professor Maurice will be sure of success in anything undertaking, and have good luck, and be prosperous through life. The planets are hourly pointing out the destiny of mankind, and the Professor has a knowledge of the longitudinal places of the planets for particular times and seasons, a table for the latitudes where certain circumstances occur, so the Professor's great powers of retrovision, his spontaneous and lucid knowledge of one's past and present life when in rapport with him, his keen forecasting of one's future career, enable him to give perfect satisfaction to his visitors. YOU WANT TO SCARE MOSQUITOS.
Day and night mosquitoes bite,
And all else with them fight;
Just let them smell the stuff we sell
And see their consternation.

Ladies and gentlemen who desire exemption from mosquitoes should proceed at once to the drug store and procure a box of PAPER'S Celebrated Mosquito Powder, the perfume of which will, in a few minutes, drive every mosquito out of the room it occupies, without discommoding or annoying the persons in said room in the least degree. Nothing at all in it poisonous or unpleasant to humanity; but something frightful to mosquitos.
Try a box; it will cost but twenty five cents, and yield you five dollars worth of pleasure.
See what others say of it.—I have used one box of PAPER'S Mosquito Powder, and can recommend it as a sure remedy to get clear of mosquitoes.
