A CAUTION TO LADIES—MADAME RESTELL, FEmale Physician, 162 Chambers street, deems it her duty to caution ladies against impostors who appropriate her advertisements, word for word, merely substituting some ignorant and wholly irresponsible person as "Madame" or Doctor. These persons have spurious medicines and other poisonous compounds to deprive the unwary or easily duped as well of their means as of their health. That ladies may avoid these impositions Madame Restell feels called upon to give this caution.
