VETO MESSAGE FROM HIS HONOR THE MAYOR.

The following message was received from his Honor the Mayor, vetoing the resolution to build a sewer in Hudson street, from Hammersley to Clarkson streets.

MAYOR'S OFFICE, NEW YORK, Oct. 8, 1863.

THE HONORABLE THE BOARD OF ALDERMEN:—
GENTLEMEN—I return unapproved the ordinance providing "that a sewer with the necessary receiving basins and culverts be built in Hudson street, from Hammersly (meaning West Houston) street, to the southerly side of Clarkson street."
It is reliably represented to me that none of the property owners on the block designated desire the work to be done. It happens that there is a sewer in Clarkson street, and one in Houston street, with one or the other of which the property on both sides of Hudson street is in communication, excepting number three hundred and ninety-one, the owner of which is opposed to the sewer proposed by the ordinance. Inasmuch, therefore, as the sewers in Houston and Clarkson streets render this one unnecessary, and as the owners of the property to be affected by it are unanimously opposed to it, I respectfully recommend that no further steps be taken in the matter.

GEORGE OPDYKE, Mayor.

Which was received, laid on the table, directed to be entered in full on the minutes, and published in the newspapers employed by the Corporation.

The following message was received from his Honor the Mayor, vetoing resolutions that sidewalks of Eighty-fourth street, from Third to Fourth avenues, be flagged and reflagged, &c.

MAYOR'S OFFICE, NEW YORK, Oct. 6, 1863.

THE HONORABLE THE BOARD OF ALDERMEN:—
GENTLEMEN—I return without approval, the ordinance providing "that the sidewalks of Eighty-fourth street, between Third and Fourth avenues, be flagged and reflagged, and the curb and gutter stones set and reset where necessary."
The passage of this ordinance was evidently an inadvertence, inasmuch as the work for which it proposes to provide, has been already done under a previous ordinance approved December 6, 1862.

GEORGE OPDYKE, Mayor.

Which was received, laid on the table, directed to be entered in full length on the minutes and published in the newspapers employed by the Corporation.
