There is probably no disease which experience has so amply proved to be remediable by the
PERUVIAN SYRUP
as Dyspepsia. The most inveterate forms of this disease have been completely cured by this Medicine, as ample testimony of some of our first citizens proves.

FROM ABRAM MEAD, ESQ., LITTLETON, MASS.

I have for several years suffered severely with Dyspepsia, accompanied by weakness and nervous irritability which made life a burden to me. Nothing but the simplest nutriment could remain in the stomach without pain. Sourness and windy evacuations, uncomfortable feelings in the head, bad taste in the mouth, catarrhal symptoms, inactivity of the liver and bowels, piles, general debility, and a nervous state of extreme susceptibility, made up a diseased condition rebellious to ordinary medical treatment. By the advice of an eminent physician I commenced taking PERUVIAN SYRUP, at once I began to experience benefit. After taking three bottles all these bad feelings have left. My health is restored, and I enjoy life as well as ever.
Most cheerfully do I recommend Peruvian Syrup.

ALBA VERONICA QUINQUEFOLIA.
This plant, the most remarkable in many respects upon which the sun has ever shone, is the most powerful blood purifier known to man.
—Noah Comins, of Long Island, was a leper from birth, and, at the age of thirty-five, in a dying condition, presented a horrible case of scrofula. In six weeks after using the Veronica he was perfectly cured and walked sixteen miles.
—Dr. Clark, of Blackwell's Island, cured a woman of a cancer with it after she had been given up.
—Dr. Ogden says that "twelve ounces of this plant will make the blood of an adult as pure as an infant's."
—It is the only purifier of the blood on the face of the earth. All other compounds and sarsaparilla are worthless. Such is the growing popularity of the medicine that we are selling over one hundred and fifty bottles daily. It has received the endorsement of the press and our first physicians. Our interesting descriptive "Book of Health" sent free on receipt of stamp. Price $2 per bottle; large bottles (concentrated) $5.

MISCELLANEOUS.

A FACT.
From the army hospital—the bloody battle field—the mansion of the rich and humble abode of the poor—from the office and the secret desk—from the mountain top, distant valleys and far off islands of the ocean—from every nook and corner of the civilized world—is pouring in the evidence of the astonishing effects of DRAKE'S PLANTATION BITTERS. Thousands upon thousands of letters like the following may be seen at our office:—

REDESBURY, Wis., Sept. 16, 1863.
* * * I have been in the army hospitals for fourteen months, speechless and nearly dead. At Alton, Ill., they gave me a bottle of Plantation Bitters. * * * Three bottles restored my speech and cured me. * * *
C. H. PLAUTE.

SOUTH WARSAW, O., July 23, 1863.
* * * One young man, who had been sick and not out of the house for two years with scrofula and erysipelas, after paying the doctors over $150 without benefit, has been cured by ten bottles of your bitters. * * *
EDWARD WOUNALL.

The following is from the Manager of the Union Home School for the Children of Volunteers:—
HAVERMEYER MANSION, FIFTY-SEVENTH STREET,
NEW YORK, August 2, 1863.
DR. DRAKE—Your wonderful Plantation Bitters have been given to some of our little children, suffering from weakness and weak lungs, with most happy effect. One little girl, in particular, with pains in the head, loss of appetite and daily wasting consumption, on whom all medical skill had been exhausted, has been entirely restored. We commenced with but a teaspoonful of Bitters a day. Her appetite increased; strength and health followed. * * *
Respectfully, Mrs. O. M. DEVOE.

* * * I owe much to you, for I verily believe the Plantation Bitters have saved my life.
REV. W. H. WAGGONER, Madrid, N. Y.

* * * Thou wilt send me two bottles more of thy Plantation Bitters. My wife has been greatly benefited by their use.
Thy friend, ASA CURRIN, Philadelphia, Pa.

* * * I have been a great sufferer from dyspepsia, and had to abandon preaching. * * * The Plantation Bitters have cured me.
REV. J. S. CATHORN, Rochester, N. Y.

* * * Send us twenty-four dozen more of your Plantation Bitters, the popularity of which are daily increasing with the guests of our house.
SYKES, CHADWICK & CO.,
Proprietors Willard's Hotel, Washington, D. C.

* * * I have given the Plantation Bitters to hundreds of our disabled soldiers with the most astonishing effect.
G. W. D. ANDREWS,
Superintendent Soldiers' Home, Cincinnati, O.

* * * The Plantation Bitters have cured me of liver complaint, of which I was laid up prostrate and had to abandon my business.
H. B. KINGSLEY, Cleveland, O.

* * * The Plantation Bitters have cured me of a derangement of the kidneys and urinary organs that has distressed me for years. It acts like a charm.
C. C. MOORE, Agent for Colgate & Co., 254 Broadway.

&c., &c., &c., &c.

The Plantation Bitters make the weak strong, the languid brilliant, and are exausted nature's great restorer. They are composed of the celebrated Cattaya Bark, Wintergreen, Buchu, Roots, Herbs, &c., all preserved in perfectly pure St. Croix Rum.

S. T.—1860.—X.

Persons of sedentary habits troubled with weakness, lassitude, palpitation of the heart, indigestion, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try them.

They are recommended by the highest medical authorities and are warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure and harmless.

Nonce.—Any persons pretending to sell Plantation Bitters in bulk or by the gallon is a swindler and impostor. We only put it up in our log cabin bottles. Beware of bottles refilled with imitation deleterious stuff, for which several persons are already in prison. See that every bottle has our United States stamp over the cork, and signature on steel plate side labels.

Sold by respectable dealers throughout the habitable globe
