SCRANTON COAL AT AUCTION.
OFFICE OF THE DELAWARE, LACKAWANNA AND WESTERN RAILROAD COMPANY, NEW YORK, March 16, 1864.
This company will hold their fourteenth regular monthly auction, on Wednesday, the 30th day of March, 1864, at 12 o'clock M., at the office of the company, 33 William street, at which time they will offer, by SIMEON DRAPER, Auctioneer,
TWENTY-FIVE THOUSAND TONS OF FRESH MINED SCRANTON COAL,
embracing all the usual sizes, and deliverable at their depot, Elizabethport, N. J., during the month of April next.
The sale will be positive. Each lot put up will be sold to the highest bidder; no bids in any form whatever being made for account of, or on behalf of the company.
Fifty cents per ton, in bankable funds, to be paid at the time and place of sale, and the balance in like funds, on receiving the order for the coal, which must be called for within ten days thereafter, and the coal taken away within thirty days from the day of sale, unless navigation is obstructed. Buyers who wish, however, can have an additional thirty days for taking the delivery of their purchases by making a further deposit of fifty cents per ton within the ten days above specified. Interest at 7 per cent per annum will, in such case, be charged on the balance, from the time stipulated for payment until paid; and 25 cents per ton to cover the expense of stocking the coal—both to be paid on delivery of order.
The other conditions of sale will be substantially those hitherto accepted by all purchasers, by private contract, of coal deliverable at Elizabethport, so far as applicable. The coal will be delivered direct from the cars on their arrival from the mines, when practicable—otherwise from the stock. These conditions will be modified to meet the wants of ocean steamers, whose arrival cannot be definitely fixed.
JOHN BRISBIN, President.
