OFFICE OF THE ASSOCIATION FOR THE EXHIBITION OF THE INDUSTRY OF ALL NATIONS, Sept. 5, 1853.

NOTICE.—The Office for the transaction of all the general business of the Association has been transferred to the Crystal Palace, on the Sixth-av. entrance.

The Transfer Books are now kept at the office of Messrs. Duncan, Sherman & Co. C. E. ANDERSON, Treasurer.

THE DIRECTORS of the ASSOCIATION for the EXHIBITION of the INDUSTRY of ALL NATIONS give notice that the Exhibition is now open to the Public in all its branches.

Some changes and additions will hereafter, from time to time, be made, but in the great Departments of Raw Produce, Manufactured Articles, Machinery and Fine Arts, the Exhibition may now be pronounced complete.

The Directors, in making this announcement, take pleasure in saying that, in all its branches, it is by far the most comprehensive and attractive that has ever been made in the country, and they believe it will compare favorably with any ever made.

The display of Foreign Art and the Products of the Skill of the Old World, is along their superior to anything ever before collected in this country, while the inventive ingenuity, the mechanical skill, and the industrial energy, of our own people have never before been made so apparent.

The enterprise and the talent of over 5,000 exhibitors have proferred this story of the most beautiful and useful products of human intelligence, and the Directors feel earnestly and cordially invite their fellow-citizens to embrace the present opportunity to examine and to study a collection the like of which never has been, and, in all probability, will not in many years again be offered to their observation.

The Exhibition will close in the month of December next.
