

North Anderson

Residence of M. P. Orr

In any growing city in any land, a home site carefully bought is a good investment, for values are bound to rise as the population increases.

Then, too, owning your own home makes a difference. It develops the best that is in a man. He will do much for his own fireside, but little, very little, for a landlord's house.

Take your wife home-hunting—go out and look over NORTH ANDERSON. It's lots of fun even if you don't buy. You'll like this new and different development. You'll like its natural beauty and its many conveniences. But most of all you will like the people who have bought there. Ask us who they are. Some of them are your present neighbors and friends.

NORTH ANDERSON lots can be bought \$10.00 down and \$10.00 a month; and you can buy at any time, but why not buy NOW, get the lot YOU want (and not later when you will have to take what you can get) and then again, the sooner you buy—the more your part of the net profits on the "Profit Sharing" plan.

Phone us NOW, and we will call at any time you say and take you and your wife out to NORTH ANDERSON in an automobile and show you what a wonderfully good place it is for you—all to really live. No obligation on your part whatever to buy. If you wish to buy a lot, all right, well and good. It not, it's just the same; we will be delighted to show you NORTH ANDERSON.

TAKE SALTS FOR THE KIDNEYS IF YOUR BACK HURTS

We Should Drink Lots of Water and Eat Less Meat, Says Noted Authority on Kidney Disorders

Recommends a Spoonful of Jad Salts In Glass of Water Before Breakfast to Stimulate Kidneys and Eliminate the Uric Acid

Uric acid in meat excites the kidneys, they become overworked, get sluggish, ache, and feel like lumps of lead. The urine becomes cloudy, the bladder is irritated, and you may be obliged to seek relief two or three times during the night. When the kidneys clog you must help them flush off the body's urinous waste or you'll be a real sick person shortly. At first you feel a dull misery in the kidney region, you suffer from backache, sick headache, dizziness, stomach gets sour, tongue coated and you feel rheumatic twinges when the weather is bad.

• Eat less meat, drink lots of water; also get from any pharmacist four ounces of Jad Salts; take a tablespoonful in a glass of water before

breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean clogged kidneys and stimulate them to normal activity, also to neutralize the acids in urine, so it no longer is a source of irritation, thus ending bladder weakness.

Jad Salts is inexpensive, cannot injure, makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active. Druggists here say they sell lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.

ASPHALT PLANT WAS RUN ONLY 2 HOURS

CLOGGED PIPES CAUSED IT TO BE CLOSED FOR REPAIRS

RUNNING TODAY

Machinery Was Rusty Because it Had Been Idle For Several Months.

Owing to the fact that the asphalt plant had lain idle for the past several months, several of the important feed pipes were clogged up yesterday morning when operations were started and after running two hours, it was closed down for repairs. Only two wagon loads were placed on West Market street and these were spread. The pipes were clean yesterday and the operations will begin again this morning.

The superintendent of the plant stated yesterday afternoon that he thought everything would run along all right after these pipes were cleaned. These being clogged yesterday, the material was not fed properly.

It was also stated that about 30 hands would be used in connection with the plant, including the drivers of the wagons which will haul the mixture from the plant to the street.

Preaching at Neal's Creek.

Rev. Mike McGee will fill the pulpit at Neal's Creek church next Sunday morning at 11 o'clock. Having formerly been a resident of that section, his many friends there will be glad that they will have an opportunity of hearing him. The public is cordially invited.

At County Hospital.

Miss Lois Meeks, daughter of Mr. and Mrs. T. L. Meeks, of Belton, underwent an operation at the county hospital on Wednesday morning. Her condition was reported as much improved yesterday.
