NEW YORK, August 3, 1865.

OFFICE CHIEF QUARTERMASTER, DEPARTMENT OF the Gulf, New Orleans, June 23, 1865.—Proposals will be received to transport the government freight at so much per barrel, foot, pound or head, according to kinds and descriptions, from New Orleans to Mobile, Pensacola and intermediate posts; and, when practicable, from Mobile to Montgomery, and intermediate points. The bids to be for steamers and sailing vessels. The St. Joseph Street Railroad will be considered in the proposal. If arrangements can be made it will be placed under control of the contractors, and the stores will be delivered at the railroad, in New Orleans, or upon the levee, if to go by sea.
S. P. HOLOBUD, Colonel, Chief Quartermaster.

PROPOSALS FOR HEATING APPARATUS.
WASHINGTON, D. C., July 26, 1865.
Sealed proposals will be received at the office of the Supervising Architect, Treasury Department, Washington, D. C., until 12 M. of August 15, 1865, for all the improved Heating Apparatus (hot water or Gould's patent), that may be required for the various public buildings in charge of this Department prior to the 15th of August, 1866.
The apparatus required will be on the hot water system, or hot water and low pressure steam combined (Gould's patent), and bidders are required to furnish descriptions or plans of their mode of construction.
The apparatus must in all cases be furnished and put up complete within a reasonable time from date of order, and must be in perfect working condition when turned over to the proper officers.
The bids are to be per cubic foot of space actually heated, and the price to cover all expenses whatever—screens, painting, cutting of or constructing masonry, &c.; the freight and actual transportation expenses of mechanics, if the services of suitable ones cannot be procured in the places where the apparatus is to be put up, will be paid for extra.
Payments not exceeding 90 per centum of the value of work done will be made during the progress of the work, upon certificates of authorized officers; 40 per centum will be paid for after the work has been completed and thoroughly tested during a period of the cold season; the balance of 10 per centum will be retained for twelve months after the completion of work. All repairs or alterations becoming necessary during this period of twelve months and which were occasioned by imperfect working of the apparatus must be made at the cost of the contractor.
All bids must be accompanied by the bond of two responsible persons, in the sum of $5,000 that the bidder will accept and perform the contract if awarded to him, the sufficiency of the security to be certified to by the Collector of Internal Revenue of the district.
The Department reserves the right to reject any or all the bids, if it be deemed to the interest of the government to do so, and no bid will be considered that does not conform to the requirements of this advertisement.
Proposals should be endorsed "Proposals for Heating Apparatus" and must be addressed to
Supervising Architect, Treasury Department,
ISAIAH ROGERS,
Supervising Architect.

PROPOSALS FOR BURGLAR PROOF SAFES.
WASHINGTON, D. C., July 22, 1865.
Sealed proposals will be received at the office of Supervising Architect, Treasury Department, Washington, D. C., until 12 M. of August 15, 1865, for all the Fire and Burglar Proof Safes and Vaults required by the Treasury Department prior to August 15, 1866.
Plans and specifications can be obtained by application to this office personally or by letter. The locks for the safes will be furnished by the Department, but must be put on by the contractor without extra charge.
The safes are to be delivered and set up, within a reasonable time from date of order, at their place of destination, in perfect condition, and the locks must be in perfect working order when the safe is turned over to the proper officer.
The bids to be per superficial foot, measured on the outside, and the price to cover all charges whatever, door fixtures, painting, &c., except locks. Freight and actual transportation expenses (except board) of mechanics—if the services of suitable ones cannot be procured at the place where the safe is to be put up—will be paid for extra. All bids must be accompanied by the bond of two responsible persons, in the sum of $5,000, that the bidder will accept and perform the contract if awarded to him—the sufficiency of the security to be certified to by the Collector of Internal Revenue of the district.
The Department reserves the right to reject any or all the bids, if it be deemed the interest of the government to do so; and no bid will be considered that does not conform to the requirements of this advertisement.
Proposals should be endorsed "Proposals for Safes and Vaults," and be addressed to
Supervising Architect, Treasury Department,
ISAIAH ROGERS,
Supervising Architect.
