English Bar is firmly held at prices above the views of buyers. Rodbed is firm. Sales of 100 tons at $70@$75. Refined Rods are salable at $80. Railroad is in great demand. Sheet Iron, cold rolled, is with a tendency upward. Sweden, in lots brought $95, assorted sizes. English and Russia Sheet is scarce, and is controlled by a few houses. We hear of no sales.

TIN—The market is quiet for all descriptions. The advanced pretensions of holders restrict operations, particularly in Banca, which is scarce and in few hands. Last sale at 31½c. Straights at 31c., six months. Plates are also unchanged.

SPELTER remains quiet, and prices are rather nominal at 5½@5¾c.

BRICK—With only a light supply and an active demand for shipment, prices have improved. Sales at $5 50 for hard North River, with a tendency upward. Owing to the stringency in the money market, there is less building going on than usual at this season of the year.

TALLOW continues in light supply with an active demand. Sales this week of 50,000 ℔. City Rendered (Butchers' Association) at 11c., cash, for home consumption. Owing to the scarcity some large orders for export remain unfilled. Small lots are in good demand at 11c. for good to prime.

POTATOES—The receipts are larger, but are in very bad order, the rot being more destructive to carcass than was supposed; consequently prices remain steadily with a good supply for the best, sales at 82@85c. ⅌ bbl. for Rose, and $1 75@$1 87½ for White. There are but few transactions for export in consequence of the rot. Sweet are in fair supply and salable at $2 ⅌ bbl.

SWINE—Wholesale, still fat, at $5 50 and hard corn fed at 6 cts. ⅌ ℔.

REMARKS—Market is well stocked, brisk, and a handsome advance on all extra qualities, both Beeves and Sheep. The stock as a whole is excellent. Many of the Oxen and Sheep are large, fat, and sell quick. A large portion of the medium qualities are taken by our farmers near the seaboard, to replenish their already exhausted farms. The engine and tender of the Vermont and Massachusetts cattle train ran off the track above Fitchburg late night, but no injury to owners or cattle. The train got in about daybreak this morning.

145 cars came over the Fitchburg Railroad, and 261 over the Boston and Lowell Railroad, loaded with Cattle, Sheep, Horses, Swine and Fowls.
