TO THE CITIZENS OF THE FIFTEENTH WARD: The foregoing ticket, composed of citizens well known in the Ward, is submitted to our suffrages with great confidence by us. We present no candidate upon that ticket whom we do not believe disposed to place a sense of duty before all obligations to party.

Experience has shown the impracticability of preventing party organization in the nomination for Municipal offices so long as party organization exists in the support of other parties. Neither party can be expected entirely to withdraw, or, doing so, new parties will spring up, and the same contests will arise in other forms.

We cannot acquiesce in the opinion entertained by some, that the best mode of putting the new Charter into effective operation late select entirely new men. Experience demonstrates its fallacy.

True reform consists rather in the elevation of known, honest and capable men to official positions; and assuredly the fact of services rendered by an individual should not prejudice him in the eyes of a voter.

ISAAC O. BARKER, our candidate for Alderman, has been a member of the Board of Assistants for the past two years. Upon every occasion in the Common Council he has shown a determined spirit to search out and correct abuses; and we conceive a public acknowledgment due to him as a faithful servant of the people, and that we cannot more decidedly or properly evidence our approbation than by electing him.

Our candidates for the Council:

SAMUEL B. ROMAINE, Jr., is a lawyer, known long as a resident of the District for which he has been nominated.

LINUS W. STEVENS has long been known as one of our most substantial merchants.

EDWIN J. BROWN is a merchant, well known to the citizens of the Ward, and is an energetic, honest and capable man.

We do not desire the removal of gentlemen who have well fulfilled their duties in the Board of Education, as have done Messrs. BENEDICT and BEADLE. The same remarks will apply to the Trustees. The Schools have never been better managed, or had more ardent supporters.

The Assessor is HENRY SWORDS, familiar with the duties of his office, an honest and proper man and should be sustained.

JAMES KING and GEORGE W. BOGERT, the present Constables, are intelligent and worthy men, who have performed their duties in a creditable manner; they also should be sustained.

At the caucus held in the Ward, Tuesday, Nov. 1, the enthusiasm manifested on the occasion of this nomination. Several speeches were made.
