M., when the same will be publicly opened, for the whole or any part of the sum of one million seven hundred and fifty thousand dollars of the "Assessment Fund Stock of the County of New York," authorized by the 7th section of chapter 565 of the Laws of 1865, and by a resolution of the Board of Commissioners of the Central Park, adopted June 19, 1868. The said stock is to provide means for the payment of damages awarded by the Commissioners of Estimate and Assessment, in the matter of laying out a road or public drive between 58th and 155th streets, as per report of said Commissioners, confirmed by the Supreme Court June 15, 1868, and the expenses, charges and disbursements in same matter. The said stock will bear interest at the rate of six per cent per annum, payable semi-annually, on the 1st day of May and November in each year, and the principal will be redeemable on the 1st day of November, in the year 1938. The proposals will state the amount of stock desired and the price per $100 thereof, and the persons whose proposals are accepted will thereupon be required to deposit with the County Treasurer the sums awarded to them respectively.

On presenting to the Comptroller the receipts of the County Treasurer for such deposits the parties will be entitled to receive certificates for equal amounts of the par value of the sums awarded to them, bearing interest from the dates of payments.

Each proposal should be sealed and endorsed "Proposals for assessment fund stock of the county of New York," and inclosed in a second envelope addressed to the Comptroller.
