THE CELEBRATED IMITATION GOLD
$15 HUNTING WATCHES. $20
THE COLLINS OROIDE WATCH FACTORY.
CASES OF THE COLLINS METAL
(improved oroide).
Our superior Oroide Watches having been recently imitated, and worthless ones sold represented as our watches, we hereby caution the public against them and give notice that we are in no way responsible for these bogus concerns and only those purchasing directly from us can secure a genuine watch of our manufacture. We have recently greatly improved our oroide in appearance and durability, and, to protect the public from impositions hereafter, have named it the "Collins Metal," and we give notice that any one making use of this name will be prosecuted to the extent of the law.
This metal has all the brilliancy and durability of gold and cannot be distinguished from it by the best judges, retains its color till worn out, and is equal to gold excepting in intrinsic value. All our Gentlemen's Watches are full jewelled patent levers; those for ladies an improved escapement, better than a lever for a small watch, all in hunting cases and fully guaranteed by special certificate. The $15 watches are equal in neatness, style of finish and general appearance and for time to a gold one costing $150. Those of $20 are of extra fine finish, and are fully equal to a gold watch costing $200. Chains of every style, from $2 to $6. Also Jewellery of the Collins metal in every style.
Goods sent to any part of the United States by express, to be paid for on delivery.
Our only office is 37 and 39 Nassau street, opposite the Post office (up stairs), New York.

PROPOSALS FOR $75,000 CITY CEMETERY STOCK.

Sealed proposals will be received at the Comptroller's Office until Tuesday, Dec. 15, 1868, at 2 o'clock P. M., when the same will be publicly opened, for the whole or any part of the sum of $75,000 of "City Cemetery Stock," authorized by chapter 177, Laws of 1868, and by an ordinance of the Common Council, approved by the Mayor, Nov. 20, 1868.

Said stock is to be issued for the purpose of providing means for the purchase of a plot of ground by the Commissioners of Public Charities and Correction, within the boundaries of this State, suitable for a public cemetery or burial ground, additional to the plots now used by them for such purpose.

The stock will bear interest at the rate of seven per cent per annum, payable semi-annually on the first day of May and November in each year, and the principal will be redeemed on the first day of August, 1888.

The proposals will state the amount of stock desired and the price per $100 thereof, and the persons whose proposals are accepted will thereupon be required to deposit with the Chamberlain the sums awarded to them respectively, together with any premium thereon.

On presenting to the Comptroller the receipts of the Chamberlain for such deposits the parties will be entitled to receive certificates for equal amounts of the par value of the sums awarded to them, bearing interest from the dates of payments.

Each proposal should be sealed and endorsed "Proposals for City Cemetery Stock," and enclosed in a second envelope addressed to the Comptroller.

The right is reserved to reject any or all of the bids if the interests of the Corporation require it.
