PUBLIC NOTICE IS HEREBY GIVEN BY THE COMmissioners of the Sinking Fund of the City of New York, that pursuant to the provisions of the act entitled "An act to authorize the construction of a railroad through Twenty-third street, in the city of New York," passed May 15, 1868, they will sell at public auction in the "Governor's Room" of the City Hall Park, in said city, on Wednesday, June 2, 1869, at twelve o'clock M., to the highest bidder for the same, the right, privilege, and franchise to construct, operate and use a railroad with a double track, and the necessary turnouts and switches for the proper working of the same, through, along and upon Twenty-third street, in the city of New York, from the North river to the East river, on the following terms and conditions:—

First—The person or persons or corporation whose bid shall be accepted on such sale shall, within four months from the day of the sale, finish and complete said road and equip the same with the requisite number of cars and horses; but should he or they be restrained or prevented by any legal proceedings which are not collusive from constructing and completing the same the time during which they are so restrained shall not be deemed or taken to be part of the time within which the same is to be completed. The said party or parties shall execute a bond in the sum of five hundred thousand dollars, in two good and sufficient sureties, to be approved by the said Commissioners, conditioned for the completion and equipment of the said railroad, as above provided, subject to the conditions and with the authority as follows:—

Second—Said railroad shall be constructed on the most approved plan for the construction of city railroads, and with the rail now used upon the street railroads in Philadelphia, commonly called Philadelphia rail, and shall be run as often as the convenience of passengers may require, and shall be subject to such reasonable rules and regulations as may in respect thereto as the Common Council of the city of New York may from time to time by ordinance prescribe; and the said party or corporation will be authorized by law to charge the same rate of fare for the conveyance of passengers on said railroad as is now charged by other city railroads in said city.

Third—In the construction, operation or use of such railroad upon the route above designated, should such person or corporation deem it necessary or proper to run upon, intersect or use any portion of other railroad tracks now laid upon said street above named, he or they are authorized by the aforesaid act to run upon, intersect and use the same; and in case they cannot agree with the owner or owners thereof respecting the compensation or payment to be made therefor, then the amount of such compensation or payment shall be ascertained and determined in the manner provided by subdivision six of the twenty-eighth section of the act entitled "An act to authorize the formation of railroad corporations, and to regulate the same," passed April 2, 1850. And should any real estate or interest therein be required for the purpose of constructing said railroad, as above specified and authorized, for which the said person or corporation shall be unable to agree with the owner or owners for the use or purchase thereof, they may acquire the right to use or title to the same in the manner specified in the fourteenth, fifteenth, sixteenth, seventeenth, eighteenth, nineteenth, twentieth and twenty-first sections of the said act of April 2, 1850, except that in any of proceedings for any of the purposes authorized by said act it shall not be necessary that the petition to the Supreme Court shall make any allegations of, or reference to, any incorporation, capital stock, surveys or maps, or of the filing of any certificate of location. But in all cases the use of said street for the purposes of said railroad as authorized by said act, shall be considered a public use, consistent with the uses for which the mayor, aldermen and commonalty of the said city hold said street. Nothing in the said act contained shall authorize or allow the existence of more than two tracks in any part of said street.

Fourth—The Legislature reserve the right to alter, amend or repeal the act giving the authority to construct and operate such railroad.

Fifth—On payment into the city treasury of the amount of the said bid, and on the execution and approval of the said bond, and the execution of an agreement to perform the conditions and stipulations herein expressed, the said Commissioners will deliver to the party or parties entitled to the same as aforesaid, a certificate that he or they are entitled to such grant.

Sixth—The Commissioners reserve the right to reject any bid as being made fraudulently or collusively.

A. OAKEY HALL, Mayor,
RICHARD B. CONNOLLY, Comptroller,
PETER B. SWEENY, Chamberlain,
JOHN K. HACKETT, Recorder,
JOHN MOORE, Chairman Finance Committee, Board of Aldermen,
PETER CULKIN, Chairman Finance Committee, Board of Assistant Aldermen,
Commissioners of the Sinking Fund.
