FINANCIAL.

A PACIFIC RAILWAY GOLD LOAN.
$6,500,000.
We beg leave to announce that we have accepted the agency of the
KANSAS PACIFIC RAILWAY COMPANY
for the sale of the
NEW SEVEN PER CENT THIRTY-YEAR LOAN, FREE OF TAX.
This loan amounts to $6,500,000,
FIRST MORTGAGE LAND GRANT AND SINKING FUND BONDS,
secured upon the extension of the railway from near Sheridan, in Kansas, to Denver, Colorado, a distance of 247 miles, of which twelve miles are completed and the rest is under construction. It is also a Mortgage upon rolling stock and franchise of this first class railway, now running through the State of Kansas,
AND IN SUCCESSFUL OPERATION FOR 437 MILES west of the Missouri river, and earning already enough to meet all of its expenses and existing obligations, besides
MORE THAN THE INTEREST UPON THIS NEW LOAN.
In addition to this the bonds are also secured by a first mortgage of the
GOVERNMENT LAND GRANT OF THREE MILLION ACRES,
extending in alternate sections on either side of the track, from the 39th mile post in Kansas, to Denver. The proceeds of the sale of these lands are to be invested by the trustees in the 7 per cent bonds themselves up to 120, or in United States bonds, as a sinking fund for the redemption of the bonds. The lands embrace some of the finest portions of the magnificent Territory of Colorado, including a coal field and pinery. The company also holds as an asset another tract of
THREE MILLIONS OF ACRES IN THE STATE OF KANSAS,
and although not pledged as a security for this loan, their possession adds largely to the company's wealth and credit. We estimate the
VALUE OF THE COMPANY'S PROPERTY, COVERED BY THIS MORTGAGE, AT $23,000,000 NET, WHILE THE LOAN IS MERELY $6,500,000.
The bonds have thirty years to run, from May 1, 1869, and will pay
SEVEN PER CENT INTEREST IN GOLD, semi-annually, on May 1 and November 1, and are
FREE FROM GOVERNMENT TAXATION,
the company paying the tax.
The principal of the loan is made payable, in gold, in the city of New York, but each coupon will be payable in Frankfort, London or New York, at the option of the holder, without notice, at the following rates:—
On $1,000 bond in New York...$25 (gold) each half year.
On $1,000 bond in London.....£5 5s. 10d. each half year.
On $1,000 bond in Frankfort.....75 florins, each half year.
The agents of the loan, before accepting the trust, had the condition of the road and the country through which it runs carefully examined. They are happy to give the loan an emphatic indorsement as a
FIRST CLASS INVESTMENT
in every respect, perfectly sure, and in some essentials even better than government securities. The bonds will be sold for the present at 96, with accrued interest, both in currency, the agent reserving the right to advance the rate.
The attention of investors is invited to these well secured bonds, which we recommend as one of the most profitable investments in the market. Gold and government securities taken in payment at their market value, without commissions. Pamphlets, with maps, giving full information, sent on application.
