Medical.

ANOTHER GREAT SCIENTIFIC WONDER.—That VAN PELT'S INDIANA VEGETABLE OINTMENT is a great scientific wonder, not one of the many who have tried it will deny. Scores of suffering humanity are daily resorting to the celebrated and infallible Ointment for relief. It is composed of nine of the most rare and valuable ingredients in the whole vegetable materia medica, and is a speedy, sure and speedy cure for ague in the breast, swelled and caked breasts, weakness and pain in the chest, piles, scalds, burns, cuts, galls, sprains, felons, carbuncles, and has no rival for old chronic sores. The worst of these cases have been cured by only a few applications of this Ointment. Price 50 cents per box or six boxes $5 cents. Sold wholesale and retail at the principal depôt, No. 211 Duane-st., opposite the New-York and Erie Railroad Office, and by the druggists generally.

DR. PHINNEY'S FAMILY PILLS.—A. B. & D. SANDS, Agents, No. 100 Fulton-st.

DR. HASTINGS' COMPOUND SYRUP of NAPHTHA.—Consumption can positively be cured by a fair trial of Dr. Hastings's Syrup of Naphtha. There are too many people that can bear the fact to question the assertion. The medicine is tailored by The London Lancet and London Monthly Times, authority alone sufficient, were there not a "cloud of witnesses" in this city to give further testimony in favor of its miraculous efficacy to heal and alleviate all pulmonary complaints. It is fast superseding the use of all other remedies, so prompt and satisfactory is its action on the disease. We have heard of its stopping the most violent and distressing cough in twenty-four hours. Any medicine that is as strongly recommended as this, by certificates of people of well known respectability, is certainly worth a trial.

Price $1 per bottle, or six for $5. Principal depôt No. 154 Greenwich-st, near Courtlandt.

HORSES! HORSES! HORSES!—A strong Liniment, especially adapted to the Horse, to heal and strengthen, while working him daily. This the public will find in Dr KELLINGER'S new CHARM, which is the most certain remedy ever offered to the public. It cures the heaves immediately, and all manner of sores, cuts, bruises, &c., &c., and the horse may be worked daily. In large bottles at $1 each; $9 a dozen. This great remedy is what horse-owners have long wanted. Ask for the Medical Charm, and each—no smaller sizes. N. B.—Mr. I. Lane, Murray-st and West-st., cured a horse of heaves and glanders. Mr. Wm. Radford, wholesale grocer, No. 222 West-st., purchased a splendid horse, that was so badly injured it was thought he would die. In a few days he was cured with one bottle, and is now worth $300. It is as certain to cure as it is tried. There has never been anything like it in the history of medicine. Thousands of other undeniable evidence can be seen at the principal depôts, No. 230 Pearl-st. and No. 476 Broadway. Don't fail to give it a trial; nothing more is necessary. It is ten times as cheap as any other remedy offered to the people, as it cannot fail.

Dr. KELLINGER—My Dear Sir: When I saw the above I could not believe until calling on the parties. Then I could not doubt; so strong was the evidence in satisfactory as the strong test by trial. I will the evidence was not so satisfactory as the strong test by trial. I now with great pleasure add my testimony. I have cured with very bad cases of heaves and deeply seated cough—one cured in four days; the other took ten. Respectfully yours, JAMES MAPES, Residence, Yonkers.

There is no room for doubt after a trial.

PROFESSOR WOOD'S HAIR RESTORATIVE is now introduced to the citizens of New-York, at No. 695 Broadway, where its wonderful effects can be fully explained by a personal interview with the inventor. Certificates of ladies and gentlemen of high reputation, and editorial notices of many southern and western papers, sufficient to satisfy the most skeptical, and refer to the certificate below, of the distinguished statesman, Senator Breese, of Illinois:

CARLYLE, Ill., June 27, 1853.

I have used Prof. O. J. Wood's Hair Restorative, and have admired its wonderful effect. My hair was becoming as I thought, prematurely gray, but by the use of his restorative, it has resumed its original color, and I have no doubt permanently so.

SIDNEY BREESE, Ex-Senator of the United States.

This restorative not only restores the gray hairs to the color of youth, but removes all dandruff, prevents the hair from falling off, covers the bald head with a luxuriant growth in a short time, and is as free from sediment as Croton water, and desirable for the Ladies or Gentlemen's toilet.

Marsh, descriptive of every variety of rupture, to be had at Dr Wyckoff's Davenport's, Tribune Buildings and at No. 74 Madison-lane, New-York, at 15 cents. CHANGES IN THE TARIFF.

The Journal of Commerce publishes the following as the Tariff Reform bill now in the hands of the Committee of Ways and Means in the House of Representatives. It has, however, not yet been finally adopted by that Committee, and may be considerably modified before being reported to the House. The free list proposed in it differs greatly from that in the Treasury Report, and is a much better one. The rates of duty are fixed at 100 per cent for ardent liquors, and 25 per cent. ad valorem for all other articles:

A BILL in alteration of "An Act reducing the duty on imports, and for other purposes," approved thirtieth of July, eighteen hundred and forty-six.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress Assembled, That there shall be levied, collected, and paid, on all goods, wares and merchandise mentioned in Schedule A, and imported from foreign countries, on and after the first day of January, one thousand eight hundred and fifty-five, a duty of one hundred per centum ad valorem.

SEC. 2. *And be it further enacted*, That all goods, wares and merchandise mentioned in Schedule B, and imported from foreign countries, on and after the first day of January, one thousand eight hundred and fifty-five, shall be exempt from duty.

SEC. 3. *And be it further enacted*, That there shall be levied, collected, and paid, on all goods, wares and merchandise not mentioned in either of the Schedules A and B, and imported from foreign countries, on and after the first day of January, one thousand eight hundred and fifty-five, a duty of twenty-five per centum ad valorem.

SEC. 4. *And be it further enacted*, That there shall be levied, collected, and paid, on all goods, wares and merchandise mentioned in Schedule B, imported from foreign countries, on and after the first day of January, one thousand eight hundred and fifty-five, in ships or vessels not of the United States, a duty of ten per centum ad valorem; and an addition of ten per centum shall be made to the rates of duty imposed by this act, in respect to all merchandise not mentioned in Schedule B, which shall be imported from foreign countries on and after the first day of January aforesaid, in ships or vessels not of the United States; and in lieu of the duty of ten per centum, nor the addition of ten per centum to the rates of duty aforesaid, shall be imposed on any goods, wares and merchandise imported, on and after the first day of January aforesaid, in any ships or vessels not of the United States, entitled by treaty, or by any act or acts of Congress, to be exempt from discriminating duties, tonnage, and other charges.

SEC. 5. *And be it further enacted*, That all goods, wares and merchandise, which shall be imported from foreign countries after the passage of this act, and be in the public stores on the first day of January aforesaid, shall be subject, on entry thereof for
