A WONDER OF LITERATURE.

SATURDAY'S EVENING TELEGRAM

WILL

CONTAIN THE FIRST NUMBER OF THE SERIES OF

SUPERNATURAL VISIONS OF QUEVEDO,

THE GREAT SPANISH AUTHOR OF THE LAST

CENTURY,

From a translation in part by

AMOS KENDALL,

Postmaster General of the United States under General

Jackson.

THE ONLY ENGLISH TRANSLATION EXTANT.

PREFACE TO THE SUPERNATURAL

"VISIONS OF QUEVEDO."

The translator of the Visions of Quevedo can truly say that the pleasure he himself derived from their perusal in the original alone, gave him the idea of translating them into English. It is believed that the present is the only English translation of the Visions of Quevedo, although they have been translated into many other languages, and into French no fewer than five several times, by as many different authors, the plan of which has been followed in the present version. The advertisement to a Parisian edition published in 1812 contains the following remarks:—"The Visions are regarded as the most piquant production that ever came from the fruitful and ingenious pen of Quevedo, one of the best Spanish writers. In general the criticisms they present have much point, and do not fail in their application at the present day."

THE VISIONS OF QUEVEDO.

To be commenced in the EVENING TELEGRAM, Saturday, October 9.

FIRST NIGHT—THE DEMON.

SECOND NIGHT—DEATH AND HER PALACE.

THIRD NIGHT—THE LAST JUDGMENT.

FOURTH NIGHT—THE COUNTRY AND THE PALACE OF LOVE.

FIFTH NIGHT—THE WORLD, THE FLESH AND THE DEVIL.

SIXTH NIGHT—"HELL."

SEVENTH NIGHT—REFORMATION OF THE BOTTOMLESS PIT.

The race will be ten miles to the windward and return, for a purse of $500. Boats will start between 12 and 1 o'clock. From the reputation of these boats the match attracts more than ordinary attention, and the contest will undoubtedly be close and exciting. GOLD LOAN
of
The Rochester, N. Y., Water Works Company,
Six per cent Bonds,
Due 1887,
of $1,000 each.
Interest May and November. Principal and interest payable in gold, at Union Trust Company, New York.
We offer for sale
$400,000
of this loan at eighty-two and a half and accrued interest in currency.
The entire property is mortgaged to the Union Trust Company for the protection of the bondholders, and the bonds are issued by them only upon the certificate of John C. Trautwine, C. E., appointed by the bondholders, approved by the Board of Directors, that the money has been actually expended upon the works. Pamphlets containing the reports of engineers W. Milnor Roberts and J. C. Trautwine, upon the progress of the works, also copies of the acts granting this Company their charter to supply Rochester with water, furnished upon application. Upon the most moderate estimate the rental from the works, when completed, will be
$150,000
annually, double the amount required for interest upon the bonds. Having personally examined the works, we can confidently recommend this loan to the public as a safe and profitable investment.

They are a first mortgage upon the extension of the road from Sheridan, Kansas, to Denver, Colorado. The road in operation now earns more than enough net income to pay the interest on the new loan. There is no better security in the market—this being in some respects better than government securities.

The road is in course of thorough and rapid construction; 150 miles will be completed by the 1st of October next, and the entire line, it is believed, by the end of the ensuing year.
The admirable selection of the route for commanding both local and through business cannot fail to make it one of the best paying railroads in the country.
These choice securities are meeting with rapid sale at par and accrued interest in currency, at which price they are still offered.
