## SPECIAL NOTICES.

THE NEW PATENT
NEVER FAILING, SELF-LOCKING
WINDOW FAST.

The only substitute for weights and pulleys, and a complete and perfect self-locking spring, at less cost than the old, unreliable and unsafe ones heretofore introduced. No catching, hitching, breaking, slipping or dropping, but always safe, self-locking and never failing. No cogs, cams, wheels, bands or rollers to get out of order or tempered steel springs to break. It never fails to hold and lock the window just where you leave it, from being raised or dropping down. It can be raised or lowered the merest trifle for ventilation, and then and there locks itself. No other window fixture pretends, does or can lock the window securely in every place or position. It works equally well on top or bottom sash, is simple, stronger, more effective, durable and cheaper than any spring ever introduced. Critics are challenged to find a single fault. It is cheaply and easily applied by any mechanic to old or new windows. Every lock is made in the most thorough manner and warranted perfect. Descriptive circulars, with card list of prices, sent promptly on application.
Liberal terms to the trade and agents.

Owned and manufactured exclusively by the

## STALLIONS.

ARABIAN STALLION FOR SALE.—THE PURE Arabian Horse SAID is for sale on reasonable terms as his present owner has no use for him. To breeders he will be a most valuable acquisition. The following pedigree gives the purity of his blood, with other interesting facts relating to his career:—
SAID (also spelled Sayed), as given by the groom of Nubar Pasha, Minister to France from Egypt, was foaled on the 27th of March, 1863, at the stables of Nubar Pasha. His sire was the famous Khorassan, the property of Abdul Medjid. Said's dam was Obian, the property of Nubar Pasha, and is the descendant of the celebrated Janissar, which leaped the citadel walls with the last Mameluke Bey when fleeing from Mahomed Ali in 1819. Therefore, Said is a cross between the Nedjid breed on the mother's side and the Anassch breed on the side of Khorassan.
This grand Arab stallion exhibited wonderful powers of endurance and speed in the Abyssinian war, being ridden constantly by an officer during that campaign.
For further particulars apply to Mr. FOSTER at the office of Wilkes' Spirit of the Times.
