PASTORS ARE PLEASED WITH CLEMSON COURSE

SEND OUT LETTER URGING RURAL PREACHERS TO ATTEND

200 STUDENTS

President and They are Making a Good Showing--Very Instructive Work Done.

The ministers who are attending the summer school at Clemson College are so thoroughly impressed with the value of the course to the country ministers that they have written a letter urging that other ministers come to the college for the course. The letter follows:

"Having accepted the invitation of Mr. W. W. Long, head of the extension division of Clemson College, and Rev. W. H. Mills, special collaborator in country church work, to attend the summer school of Clemson College offering a special course to pastors of rural churches we would call the attention of pastors throughout the state to some important facts: the grounds of the college are beautiful, the climate superb, and every arrangement has been made for the comfort of the pastors, as well as for the farmers and the corn club boys now in attendance. The more than two hundred students now present, while not so much in evidence as the large cadet student body, are a healthy and enthusiastic body of men and boys. Already we have been carried into new fields of thought and investigation which of necessity must increase the usefulness and efficiency of the earnest pastor.

"There is no thought of minimizing in any particular the primary purpose of the ministry of bringing men into the knowledge of the truth as it is in Jesus Christ, but, inasmuch as physical men are living in a physical world we recognize the fact that the field for our services is a larger one than we have realized in the past. To say that we have been pleased with the course so far is to put it mildly, and we would earnestly urge that the pastors of the country churches take advantage of the opportunity and spend at least one week here.

THE WOODMEN PICNIC.

Will Be Held at Clemson College August 26.

There seems to be some misunderstanding in regard to the correct date for the big Woodmen picnic which is to be held at Clemson College. This picnic will be held on August 26, and promises to be one of the largest gatherings of Woodmen that has ever been held in this section of the state.

Members of all camps are requested to attend and bring well filled baskets. The Blue Ridge railway will operate a special train leaving Belton at a convenient hour to carry all who wish to attend from points along the line.

On the return trip the train will stop at Pendleton to allow the Woodmen and their friends witness an unveiling ceremony by the local camp and all are invited to take part.

Harvest Jubilee or Mardi Gras, which will be held in Columbia this fall during the state fair, October 25-30 inclusive.

It is really surprising to see how much interest is being shown in this contest and how various friends and admirers of the candidates are working for the coupons which entitle them to 10 votes each. Many called at The Intelligencer office yesterday and placed their coupons in the ballot box.

Including today, there are only five more days until the contest closes, which will be midnight on Tuesday, August 17. As all know, The Intelligencer is not published on Monday mornings so in reality there are only four more days when coupons will be available.

Now is the time to clip the coupons and now is the time to vote them. No candidate can receive too many. The better the get, the better the finish. After the contest closes The Intelligencer will get three disinterested men to count and tabulate the votes as were made from day to day (this being done to be absolutely sure that we have not made a mistake and also to warrant that the contest is positively on the square).

Clip the coupon below. Write the name of the most beautiful girl in the contest on it, and mail or send it to The Intelligencer.

Brakeman Was Cured.
F. A. Wootney, a railroad brakeman of Jacksonville, Texas, writes: "I was down with kidney trouble and rheumatism so bad I could hardly get up when I sat down. I had a backache all the time and was most tired of living. I saw Foley Kidney Pills advertised. I took some and after a short time I was thoroughly cured and am having no more trouble." They act promptly and help kidneys throw poisonous waste products out of the blood. Thousands have written similar letters. Sold everywhere.

DR. KINARD TO SPEAK.

Will Address Congregation in Pendleton Sunday.

Dr. James P. Kinard, president of Anderson College, stated yesterday morning that he would go to Pendleton on Sunday to make an address in the Baptist church there.

It was stated in yesterday's paper that Mr. Fred M. Burnett would make address there but Dr. Kinard states that he is going to make a change, going to Pendleton himself and having Mr. Burnett go to Lebanon.

He--I guess I'll go now.
She--One should never guess; one should always be sure.--Michigan Gargoyle.
