STALLIONS.

ARABIAN STALLION FOR SALE.—THE PURE Arabian Horse SAID is for sale on reasonable terms as his present owner has no use for him. To breeders he will be a most valuable acquisition. The following pedigree gives the purity of his blood, with other interesting facts relating to his career:—
SAID (also spelled Sayed), as given by the groom of Nubar Pasha, Minister to France from Egypt, was foaled on the 27th of March, 1856, at the stables of Nubar Pasha. His sire was the famous Khorassan, the property of Abdul Medjid. Said's dam was Obian, the property of Nubar Pasha, and is the descendant of the celebrated Jan'zear, which leaped the citadel walls with the last Mameluke Bey when fleeing from Mehemet Ali in 1811. Therefore, Said is a cross between the Nedjid breed on the mother's side and the Anasseh breed on the side of Khorassan.
This grand Arab stallion exhibited wonderful powers of endurance and speed in the Abyssinian war, being ridden constantly by an officer during that campaign.
For further particulars apply to Mr. FOSTER, at the office of Wilkes' Spirit of the Times.

AIR LINE BONDS.
CONNECTICUT INVESTORS
will find the First Mortgage bonds of the New Haven, Middletown and Willimantic Railroad Company the most desirable form of investment now offered in the market.
The Bonds are exempt from every form of State or local taxation and from the United States income tax.
The average saving thus made will amount to two and one-half per cent, which, added to the interest received, makes them equal to a bond paying nine and one-half per cent, and this rate of income is not affected by a decline in gold.
The bonds are issued only as the work progresses, and for but one-half of the actual cash expenditures on the road. They are secured by a first mortgage on all the property of the company, of whatever kind. The State of Connecticut is made trustee for the bondholders, and every bond must be issued from the office of and be countersigned by the Comptroller. They are issued in denominations of $500 and $1,000, are coupon or registered, have twenty years to run, and are payable, principal and interest, in New York. The bonds are offered at par and interest.
